STANDARD REQUIREMENTS FOR AN EGRESS WINDOW

1. The Committee does **not** review the structural design of the proposed window well or window installation in the basement wall. We suggest you consult with a licensed professional engineer or architect.
2. It is the homeowner's responsibility to check for utility easements prior to installing an egress window to ensure the window does not extend into a utility easement or any other type of easement.
3. It is the homeowner's responsibility to locate the gas meter on the property and to check the codes related to the distance of an egress window to the gas meter.
4. The graded slopes and swales, as established by Developer and approved by the municipality, shall remain as permanent. Within these slopes and swales, no structure, planting or other material shall be placed or permitted to remain. Activities undertaken that may damage or interfere with established slope and swale ratios, create erosion or sliding problems or that may change the direction of flow of drainage channels or obstruct or impede the flow of water through drainage channels are **not** permitted. The slopes and swales of each Lot and all improvements in them shall be maintained continuously by the Owner of the Lot, at the Owner's sole expense, except for those improvements for which a public authority or utility company is responsible.
5. It is **your responsibility** to contact the municipality in which you live in to ensure the installation will be in compliance with the municipality codes and ordinances. Committee approval does not supersede the need for any municipal approvals or permits. **A building and zoning permit may be required prior to the installation.**
6. **IMPORTANT NOTE: When adding an egress window to your home, any damage to the foundation or surrounding the foundation that may occur at the time of installation; or any future problems you may have, will not be covered under the Veridian warranty.**
7. We suggest you contact Diggers Hotline prior to starting your project.

NOTICE GIVEN TO OWNERS

1. Owner(s) hereby acknowledge they are familiar with the Declaration of Protective Covenants, Conditions and Restrictions (the "Restrictions"), as well as, Amendments to the Declaration of Protective Covenants, Conditions and Restrictions ("Amendments"), if any, of the neighborhood.
2. Owner(s) hereby acknowledge and agree to honor all deadlines, if any, for completion of improvements referenced herein as established by the Architectural Control Committee (the "Committee").
3. Owner(s) agree to store construction materials on the above referenced property only, and will bear the cost of repairing any damages caused to any such other areas for non-compliance.
4. Owner(s) agree to remove all unused materials from public view within seven (7) days following the completion of any work.
5. Owners agree to construct improvements as approved by the Committee and submit any changes prior to construction.
6. Nothing contained herein shall be construed to represent those alterations to lots or buildings in accordance with these plans shall not violate any of the provision of the Building and Zoning Codes established by the municipality, to which the property is subject to as well as any applicable easements on the property. Further, nothing contained herein shall be construed as a waiver or modification of said Restrictions.
7. Nothing contained herein shall be construed to represent those improvements, as approved by the Committee, are buildable.
8. Where required, appropriate building permits shall be obtained for the municipality prior to construction. Nothing contained herein shall be construed as a waiver of said requirement.

9. Owner(s) agrees and grants express permission to the Committee to enter on the Owner's property at a reasonable time to inspect the project, during and after construction.
10. Owner(s) is made aware that any approval is contingent upon the completion of the alteration in a workmanlike manner and in accordance with the approved plan and specification of said alterations.
11. Owner(s) is made aware that any alterations not approved by the Committee will result in a written notification from the Committee and Owner(s) agree to bring the property back into compliance within a specified time as determined by the Committee. Further, Owner(s) are aware and agree that any legal expenses associated therewith will be the sole responsibility of the Owner(s).

VARIANCE SUBMITTAL

1. Please email your application and supporting documents to **acc@dsirealestate.com**. If unable to email, please mail to Architectural Control Committee (ACC), DSI Real Estate Group, 100 River Place, Suite 1, Madison, WI 53716.
2. Do not include original documents as they may not be returned. All pages submitted must be legible copies.
3. Owner must sign, if signature line is provided, or initial all pages without a signature line, indicating that the requirements and notices, outlined within this application have been read and agreed to.

[Required Exhibits and Supporting Documentation for Variance Egress Window Requests](#)

1. Complete and submit the entire application to the ACC.
2. Provide your home plan – marked with the location of where your egress window will be installed.
