NOW, THEREFORE, the Declarant declares that the Lots and Outlots legally described in Exhibit "A", attached hereto and incorporated herein by reference, will and shall be sold, transferred and conveyed subject to the easements, covenants, restrictions, assessments, charges and liens hereinafter set forth.

PART A **ASSOCIATION MATTERS**

A-1) Property Subject to Protective Covenants

A) Existing Property. The real property subject to the provisions of this Declaration consists of the entire plat of Pleasant View Reserve situated west of S. 51st St., north and south of W. Marquette Ave. (as proposed) and consisting of Lots 1-53 and Outlots 1-2 (herein referred to as either the "Subdivision" or "Pleasant View Reserve"). The Subdivision is composed of fifty-three (53) individual residential lots (hereinafter "Lots"). Declarant reserves the right to subject additional lands to the terms of this Declaration by amendment to this Declaration. Any such additional lands will be referred to as a Phase and will be further described in such future amendment to this Declaration.

A-2) Definitions.

A) "Association" shall mean and refer to Pleasant View Reserve Estates Homeowners Association, Inc., and its successors and assigns.

B) "Common Property" includes all those areas located in the Development which are contained within an Outlot and which are intended for common use or are necessary or convenient to the existence, maintenance or safety of the Development. Common Property may also include any additions thereto designated by the Declarant or the Association in any subsequent amendment to this Declaration, and all improvements located on said property, which are intended to be devoted to the common use and enjoyment of members, Owners and Occupants. Common Property shall further include all, access ways, traffic calming measures, plantings, landscaping islands or boulevards, which the City of Franklin is not obligated to maintain. Declarant may, by subsequent amendment or easement, designate parts of certain private lands within the Development as Common Property, rendering the Association responsible for maintenance thereof, on terms determined by the Declarant.

C) "Declarant" shall mean and refer to VH PVR, LLC; a Wisconsin Limited Liability Company and/or its successors and assigns.

D) "Lot" shall mean and refer to an individual subdivided lot in Pleasant View Reserve plat as described in Exhibit "A", or as may be subjected to the terms of this Declaration in the future. The Lots described herein are now owned by Declarant, but Declarant in the future intends to convey the Lots to purchasers who shall thereupon become members of the Association. The term "Property" or "Properties" shall be synonymous with the term Lot.

E) "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any of the Properties described in Exhibit "A". A purchaser of any of said Properties by land contract shall be referred to as "Owner" instead of the land contract vendor.

F) "Occupant" shall mean and refer to the occupant of any of the Properties who shall either be an Owner or a lessee who holds a written lease having an initial term of twelve months or more.

G) "Subdivision" shall refer to the lands described in Exhibit "A". The term "Subdivision" is synonymous with the term "Development".

A-3) Membership and Voting Rights.

A) **Members.** Declarant has incorporated the Association. The Association shall have two classes of membership. Each Owner of a Lot shall automatically become a Class A Member of the Association. The Declarant, or its successors or assigns, is the Class B Member of the Association. Declarant shall not be considered a Class A Member in the Association notwithstanding its ownership of Lots in the Subdivision. By acceptance of the Deed or other instrument of conveyance, the Owner(s) of each Lot consent to such Owner's membership in the Association whether or not specified on the deed to the Owner. A Class A membership in the Association is appurtenant to each Lot. Each Owner of a Lot shall automatically be entitled to the benefits and subject to the burdens relating to such Class A membership in the Association. The Association shall have authority to manage the Common Property. Persons or entities, including a land contract vendor, who hold an interest merely as security for the performance of an obligation, shall not be members of the Association. Tenants of Properties who are not Owners shall not be members of the Association. The rights, duties and obligations of the Class A and the Class B Members are specified in this Declaration and in the By-Laws of the Association.

B) **Articles of Incorporation and By-Laws.** The purposes and powers of the Association and the rights and obligations with respect to the members thereof, shall be governed by the Articles of Incorporation and By-Laws of the Association; provided, however, that such Articles of Incorporation and By-Laws shall be subject to, and shall not contravene, the terms, conditions, benefits and burdens set forth in this Declaration.

C) **Class B Member Obligation for Assessments.** Declarant has no responsibility to pay for operating expenses of the Association by virtue of its ownership of the Class B membership interest in the Association. Declarant's liability for operating expenses is limited by and subject to the provisions of this Declaration.

D) Calculation of Assessments. The Association shall calculate an Owner's responsibility for assessments based on the following formula:

$$\frac{\text{Total Subdivision Expenses/Total Number of Assessment Units X}}{\text{Assessment Unit(s) of Lot in question.}}$$

As used above, the term "Total Subdivision Expenses" shall mean (i) all Common Area Expenses which the Association estimates actually incurring during the budget year in question, plus (ii) all Common Area Expenses which the Association estimates it would incur during the budget year in question if all phases of the Subdivision were completed at the time said calculation is made. Declarant shall not be responsible for assessments on Declarant owned Lots. Declarant shall be responsible for paying to the Association the amount by which the Assessments collected by the Association are less than the amount necessary to pay for all actual Common Area Expenses incurred by the Association for the budget year in question until such time as Declarant owns 5% or less of the Lots in the subdivision or control of the Association is turned over to the Owners, whichever occurs first.

A-4) Description.

A) Responsibility for Assessments. The following table describes the number of assessment units (an "**Assessment Unit**"), which are assigned to various Lots in the Development based upon their intended use at the present time. For the purposes of the following table, a single family residence shall be deemed a Dwelling Unit.

<u>Use</u>	<u>Number of Assessment Units</u>
1) Single Family:	One (1) per Dwelling Unit.

B) Association Management. The Association is required to retain a professional property management company with the experience necessary to perform the duties of the Association (the "**Management Company**"). The Association shall enter into a management contract (the "**Management Contract**") with the Management Company on such terms and conditions as the Association and the Management Company shall agree. The initial Management Company is DSI Real Estate Group, Inc., a Wisconsin Corporation, which is affiliated with the Declarant by reason of common ownership. The Management Contract between DSI Real Estate Group, Inc. and the Association has not been negotiated on an arm's length basis.

C) General Fund. As used herein, the term "**Surplus**" shall mean the amount by which assessments collected by the Management Company on behalf of the Association to pay for common expenses relating to the Property exceed the common expenses for the fiscal year in question. The Management Company shall deposit and hold any Surplus in the Association's operating account maintained by the Management Company. The Surplus, in the discretion of the Association working in conjunction with the Management Company, may be applied to future Association expenses as they become due, but there shall be no obligation on either the Association's or the Management Company's part to return the Surplus to lot owners.

D) Percentage Interest for Condemnation or Insurance Proceeds. For the purposes of establishing an Owner's percentage of insurance proceeds or condemnation awards in the event any portion of the Common Property is completely destroyed or taken by eminent domain and is not reconstructed, each Owner shall have a percentage interest in the insurance or condemnation proceeds equal to the Percentage Interest of such Owner in the Common Property. "Percentage Interest" shall be calculated as follows: the number of

Assessment Units for a particular Lot will be divided by the total number of Assessment Units in the Development to arrive at a particular Lot's percentage share (the "**Percentage Interest**") of assessments for common area maintenance and other expenses, which the Association is permitted to assess to Class A Members under the Declaration

E) Conveyance, Lease or Encumbrance of Percentage Interest. Any deed, mortgage, lease or other instrument purporting to convey, encumber or lease for a period of time in excess of one (1) year (a "**Lease**") any Lot shall be deemed to include the Owner's Percentage Interest in the Common Property and in the insurance proceeds or condemnation awards even though such interest is not expressly described or referred to therein. The conveyance, encumbrance or Lease of an Owner's Percentage Interest in the Common Property independent of the appurtenant Lot and the conveyance, encumbrance or Lease of an appurtenant Lot independent of the Owner's Percentage Interest in the Common Property shall be prohibited.

F) Ownership.

1) The Common Property shall be initially owned by the Declarant until conveyed as provided below.

2) At the time of purchase, legal title to a percentage interest in the Common Property shall be deemed conveyed with each lot to an Owner, whether or not specified on the deed to the Owner. Legal title to the percentage interest in the Common Property shall be deemed conveyed with any subsequent conveyance of a Lot whether or not specifically stated. Taxes, assessments or other charges on the Common Property may be divided according to each Owner's Percentage Interest by the taxing authority or may be an assessment by the Association against each of the Lots in an amount equal to the Percentage Interest attributable to such Lot.

3) The Common Property shall be conveyed to the Association by the Declarant. The Association shall be responsible for the payment of any and all present and future general taxes, assessments or other charges against any portion of the Common Property owned by the Association.

G) Damage or Destruction of Common Property by Owner. In the event any Common Property is damaged or destroyed by an Owner or any of his guests, lessees, tenants, licensees, agents or member(s) of his family, including pets, said Owner does hereby irrevocably authorize the Association to repair said damage. The Association shall repair and restore any damaged area to its former condition. The amount necessary for said repair shall become a special assessment upon the Property of said Owner.

A-5) Maintenance of Common Property

A) Maintenance Requirements.

1) **Responsible Party.** Declarant shall initially provide for the care, operation, management, maintenance and repair of the Common Property, until the Common Property is conveyed as provided herein. After such time, the Association shall provide for the care, operation, management, maintenance and repair of the Common Property and shall keep the Common Property maintained in good and safe condition.

2) **General Responsibilities.** Maintenance shall include, but not be limited to, responsibility for landscaping and lawn care, snow removal including shoveling with particular attention being paid to cross walk ramps and islands, improvements to common areas, upkeep of storm water management facilities which may include detention basins and drainage swales, common property lighting

and/or other common property utility charges and any special street design features or traffic calming features.

3) Specific Responsibilities. Certain streets within the Property may include special traffic islands and traffic calming measures within the public right-of-way. The Association shall be responsible, at the Association's sole cost and expense, for the maintenance and upkeep of such physical traffic measures. Such maintenance and upkeep shall be performed at the discretion of the Association except to the extent required by the City of Franklin, and shall include landscaping, snow and ice removal. If the special street design features or landscaping are not maintained, the City of Franklin will give notice to the Association that it is not being maintained. If the Association does not respond to the notice within sixty (60) days, the City of Franklin may modify the physical traffic measures to minimize maintenance needs; including replacing landscaped surfaces with asphalt. The Association and persons involved with the maintenance and upkeep of the special traffic measures shall indemnify and hold harmless the City of Franklin and its boards and commissions, and their officers, agents and employees from and against all claims, demands, loss or liability of any kind, type or description, related to the maintenance and upkeep of the special traffic measures.

4) Any and all expenses incurred by the Management Company, on behalf of and pursuant to its contract with the Association, in connection with the management and maintenance of the Common Property and administration of the Association shall be deemed to be common expenses ("**Common Expenses**"), including, without limitation, expenses incurred for: landscaping and lawn care; snow shoveling and plowing;; improvements to the Common Property; common grounds security lighting; municipal utility services for Common Property; enforcement of this Declaration (including attorneys' fees); and maintenance and management salaries and wages.

5) In the event that the Association fails to maintain the Common Area as required hereunder, the Common Council of the City of Franklin may serve written notice upon the Association and/or upon the owners of the Property subject to this Declaration, setting forth the manner in which the Association has failed to maintain the Common Area as required, and demanding that such deficiencies be remedied within thirty (30) days thereof. The notice shall specify a date and place for hearing thereon, to be held within fourteen (14) days of the notice date. At such hearing the Common Council may modify the terms of the original notice as to the deficiencies and may give an extension of time within which they shall be remedied. If the deficiencies set forth in the original notice or in any modification thereof, shall not be remedied as required, the City, in order to preserve taxable values in the area and to prevent the Common Area from becoming a public nuisance, may enter upon said Common Area and maintain the same for a period not to exceed one year. Said entry and maintenance shall not vest in the public any rights to use the Common Area except in the event same is voluntarily dedicated to the public. If the Common Council shall determine that the Association is ready and able to maintain said Common Area as required hereunder, the City shall then cease to maintain said Common Area and give notice thereof to the Association and/or Property owners. If the Common Council shall determine that the Association is not ready or willing or able to maintain said Common Area as required hereunder, the Common Council may, in its discretion, continue to maintain said Common Area subject to a similar hearing and determination in the next succeeding year and in each year thereafter. The cost of such maintenance by the City shall be assessed ratably against the Lots subject to this Declaration and shall become a tax lien on said Lots, which may be enforced and collected by all methods available under the laws or the State of Wisconsin pertaining to such liens. The City at the time of entry upon said Common Area for the purpose of maintenance, shall file a notice of lien against the Lots in the office of the Milwaukee County Register of Deeds and/or the Milwaukee County Clerk of Circuit Court, as may be required. Nothing contained herein nor any act or omission of the City of Franklin hereunder, shall be construed to create any obligation or liability on the part of the City of Franklin, its agents or designees, whatsoever.

B) Assessments.

1) The Association, or the Management Company, on its behalf, shall levy annual general assessments (“**General Assessments**”) against each Lot beginning January 1, 2022 for the purpose of maintaining a fund from which Common Expenses may be paid. The General Assessments against each Lot shall be assessed according to their Percentage Interests in the Common Property. General Assessments shall be due in advance on the first day of each year, or in such other manner as the Association may set forth in the Bylaws. Any General Assessment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with interest, collection costs, and reasonable attorneys’ fees, shall constitute a lien on the Lot on which it is assessed.

2) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, may, whenever necessary or appropriate, levy special assessments (“**Special Assessments**”) against the Lots for deficiencies in the case of destruction or condemnation, for defraying the cost of improvements to the Common Property or for any other purpose for which the Association and/or the Management Company may determine a Special Assessment is necessary or appropriate for the improvement or benefit of the Subdivision. In addition, the Association shall have the authority to levy Special Assessments against one or more of the Lots, but less than all, in cases where the Association incurs expenses that are attributable to the act or failure to act by one or more Lot Owners in violation of this Declaration, the Articles of Incorporation, By-laws or rules of the Association in effect from time to time. Special Assessments may also be imposed by the Association for failure to pay any Fines levied against an Owner pursuant to the provisions of Section E-2, below. Special Assessments shall be paid at such time and in such manner as the Association or the Management Company may determine. Any Special Assessment or installment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with the interest, collection costs and reasonable attorneys' fees, shall constitute a lien on the Lot on which it is assessed.

3) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, shall have the right to collect all General and Special Assessments and such sums shall constitute a lien on the Lot or Lots against which the Assessment is made. The Owner of a Lot, or any portion thereof, shall be personally obligated to pay such charges which were assessed or accrued upon the land owned during the period of Ownership. The Association or the Management Company, on behalf of and pursuant to its contract with the Association, may commence an action against any Owner personally obligated to pay the charges or to foreclose the lien for such charge against any Lots. Any such foreclosure action may be brought at the Association’s election, either in the same manner as an action to foreclose a real estate mortgage, or as a proceeding to enforce a statutory maintenance lien as provided in Section 779.70, Wis. Stats., to the extent said Section is applicable. Any lien in favor of the Association/Management Company securing unpaid charges arising by virtue of this Declaration shall be subject and subordinate to the lien of any mortgage whether the mortgage is executed or recorded prior to or after the creation of such lien.

C) Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Property shall not release the assessment lien. However, the sale or transfer of any Property pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment(s) as to payments which become due prior to such sale or transfer. No sale or transfer pursuant to foreclosure or proceedings in lieu thereof shall relieve such Property from liability from any assessments thereafter becoming due or from the lien thereof.

D) Joint and Several Liabilities of Grantor and Grantee. Upon a voluntary conveyance, the grantee of a Property shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor as provided in this Declaration up to the time of conveyance, without prejudice to the grantee's right

to recover from the grantor the amount paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessment and any such grantee shall not be liable for, nor shall the Property conveyed be subject to a lien for, any unpaid assessments against the grantor pursuant to this Declaration in excess of the amount therein set forth.

These requirements are in excess of the minimum landscaping required under Section 17.43(5) of the City’s zoning ordinance. The number of points attributable to various elements of the landscaping to be installed shall be determined by reference to Exhibit “D”, attached hereto and incorporated herein by reference and further referenced in the Design Guidelines. The structure and the minimum landscaping requirements shall be completed within nine (9) months after issuance of a building permit. Maintenance shall include, but not be limited to, watering, pruning and routine fertilizing and mulching of all plantings and plant beds, replacement of dead, dying and/or diseased trees and shrubs, prompt removal of weeds, trash and debris from plant beds and areas adjacent to shrubs and trees so as to keep said landscaping in a healthy, attractive and neat condition.

If the Owner of any Lot, after reasonable notice, fails or refuses to install landscaping as described herein, or maintain it as required above, the Committee, through its duly authorized agents or employees, shall have the right to enter upon said Lot at reasonable hours to perform said landscaping and/or maintenance. The costs of the materials and labor to perform such landscaping and/or maintenance shall be assessed against said Lot in accordance with the terms of Section A-5 (B)(2) above, which assessment may be foreclosed or collected in accordance with the terms hereof or collected as provided herein.

B-5) Vehicle and/or Equipment Storage. No inoperable, dilapidated or junk vehicles of any nature may be kept upon any Lot except in a fully enclosed garage. The Easements located on each Lot and all improvements therein shall be

maintained continuously by the owner of the Lot, except for those improvements for which a public authority or utility company is responsible.

Each Lot which has been made subject to this Declaration (for the purposes of this paragraph each Lot described herein shall be referred to as the "**Primary Lot**") is hereby made subject to a temporary, non-exclusive easement over, under, upon, across and through so much of the side yards of the Primary Lot as may be necessary for the safe and code compliant construction of a basement, including but not limited to footings, foundation and basement walls, on the adjoining Lot (the "**Adjoining Lot**"). The purpose of this Temporary Construction Easement is to permit Declarant to adequately slope and provide lateral support to the walls of the basement excavation in question so as to protect against cave-ins and loss of lateral support, and it shall be broadly construed to effectuate such purpose. This Temporary Construction Easement shall remain in effect for so long as it is needed to permit construction of the basement on the Adjoining Lot in a safe and code compliant manner. After completion, Declarant shall backfill the excavated area, compact such backfill in accordance with good construction practices, and restore the area affected by this easement to the condition existing immediately preceding the excavation, including replacement of sod, trees, shrubs and other landscaping, at no expense to the Owner of the Adjoining Lot (collectively "**Restoration**"). This Temporary Construction Easement shall, without further notice, terminate upon completion of said Restoration.

No change in grade will be permitted. Owners will be required to get City approval to place fence within this easement prior to receiving approval from the Architectural Control Committee (ACC). If fence is allowed within this easement, it may be required to hand dig post holes around the location of the underground pipe and inlet. Adjoining owners will be responsible for mowing around the inlet on the property line and the City would maintain the easement over and above normal maintenance.

B-7) Slope and Swale Areas.

A) The graded slopes and swales as established by Declarant shall remain as permanent. Within these slopes and swales, no structure, planting or other material shall be placed or permitted to remain, or other activities undertaken which may damage or interfere with established slope and swale ratios, create erosion or sliding problems or which may change the direction of flow of drainage channels or obstruct or retard the flow of water through drainage channels. The slopes and swales of each Lot and all improvements in them shall be maintained continuously by the Owner of a Lot, at the Owner's sole expense, except for those improvements for which a public authority or utility company is responsible.

B) In order to control run off, all down spouts and down spout extenders are to drain into a permeable area such as grass or a planting bed.

In the event of conflict between any plans and such Storm Water Management Plan, the Storm Water Management Plan shall control. Declarant and the Association shall each have the right to enter upon any Lot at any time for the purpose of inspection, maintenance or correction of any drainage condition and the Lot Owner shall be responsible for the cost thereof.

D) Any disputes relating to drainage swales, drainage or other surface water issues, shall be resolved by the Board of Directors of the Association, which may seek the advice of the City Engineer of the City of Franklin. The Association shall establish procedures by which such decisions can be heard by the Board of Directors and decided by said Board.

B-8) Nuisances. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or which may have a detrimental effect on the value of other Lots and/or improvements.

C-1) Membership. Declarant shall establish an Architectural Control Committee (the "**Committee**") consisting of three (3) members. So long as Declarant has title to any Lot subject to this Declaration, the Committee shall be appointed by Declarant. After Declarant no longer has title to any Lot within the Development or at such earlier time as determined by the Declarant, the initial members of the Committee shall resign and the Association shall elect three (3) Owners to serve on the Committee. At any time, Declarant may elect to surrender the selection of the members of the Committee to the Association.

A majority of the Committee may designate a representative to act for it. In the event of the death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor.

The Committee appointed hereunder shall serve for the time period specified in paragraph C-10, below. Any Committee member may resign prior to said date. The Committee's approval or disapproval, as required in these Covenants, shall be in writing. In the event the Committee fails to provide, in writing, approval or disapproval within thirty (30) days after application, plans and specifications or any other matters requiring approval have been submitted to it, the request shall be deemed denied.

All such submissions shall be made to the Committee at the address set forth in this Declaration or to such other address that the Committee may designate.

C) The Committee shall have the sole right to reject any Application and plans which, in the judgment and sole opinion of a majority of its members are not in conformity with this Declaration; or are not desirable for aesthetic reasons; or are not in harmony with buildings located on the surrounding Lots; or are not in conformity with the general purposes of this Declaration.

D) The Committee shall exercise its sole approval authority and discretion in good faith and each Owner, by acceptance of a deed to, or any other interest in, a Lot, agrees to hold the Committee harmless from any perceived discrepancies in the Committee's good-faith performance of its duties. Refusal of approval of plans by the Committee may be based on any grounds, including purely aesthetic grounds, which in the sole discretion of the Committee shall be deemed sufficient.

E) The Committee may set its own operating procedures consistent with this Declaration and any limitations hereafter imposed by the Association. The costs of operating the Committee shall be assessed by the Association as Common Property expenses, except as permitted below. The Committee may engage consultants (e.g., architects, engineers or attorneys) either on a general or on a case-by-case basis, and the costs thereof may be charged to an applicant. The members of the Committee shall not draw any compensation for serving thereon but may be reimbursed for expenses incurred in performing their duties. All funds relating to the Committee shall be handled by the Association.

Plans and Specifications must comply with the standards set forth in Section D herein and must be approved by the Committee in writing prior to any application for a building permit to the City of Franklin, and before any construction or alteration of any improvement may be commenced on any Lot. Upon request of the Lot Owner, the Committee shall issue a written receipt for the Plans and Specifications submitted by or on behalf of the Lot Owner, showing the date of submission.

C-5) Separate City Approval. Matters which require approval of the Committee may also require approval of the City of Franklin. The Committee does not review plans for structural design.

C-8) Indemnification. Each member or former member of the Committee, together with the personal representatives and heirs of each such person, shall be indemnified by the Association against all loss, costs, damages and expenses, including reasonable attorney's fees, asserted against, incurred by or imposed in connection with or resulting from any claim, action, suit or proceeding, including criminal proceedings, to which such person is made or threatened to be made a party by reason of service as a member thereof, except as to matters resulting in a final determination of gross negligence or willful misconduct on the part of such member. In the event of settlement of such proceeding, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of gross negligence or willful misconduct in the performance of such person as a member in the matter involved. This right of indemnification shall be in addition to all other rights and defenses. All liabilities, losses, damages, costs and expenses incurred or suffered by the Association in connection with this indemnification shall be a Common Property expense. Nothing in this Section C-8 shall be deemed an indemnification of such person with respect to such person's status as an Owner, occupant or otherwise.

C-9) Variance. The Committee shall have the power and absolute discretion to authorize a variance from any of the requirements of this Declaration if it finds that the strict application thereof would, in its sole discretion and opinion, result in difficulties or undue hardship to the Lot owner or in the event the architecture of the proposed Lot improvement is such as to present, in its opinion, a particularly pleasing appearance compatible with other houses in the development.

C-10) Successor to Committee. Declarant may turn over control of the Committee to the Members of the Association at any time, and shall turn over control when Declarant no longer has any ownership interest in the Property.
