### **H) Original Resolutions & New Business**

Q: Why is there such a large surplus?

A: In the beginning years of development, it can be difficult to gauge exactly what will be done and when, and we want to ensure we have funds to cover everything that needs maintenance.

Q: Will the General Fund be earning interest?

A: We can move it to an interest bearing account, Shandar will work with our accountant on this.

Q: What kind of expenses would the general fund be used to cover?

A: Extra snow removal and salting costs, or unexpected landscaping maintenance costs.

Q: Would a refund of some of the general fund be possible?

A: Shandar looking into this with Veridian.

Q: What would be the ETA on a refund if it is possible?

A: A couple weeks at least.

Q: Is DSI responsible for adding improvements to the park?

A: The park is owned and maintained by the City of Verona, they would be in charge of additions or changes to the park.
