

1. Roll Call
2. Proof of Notice of Meeting
3. Old Business
4. New Business
 - a. As part of budget: the Board and DSI will discuss potentially mowing less and using chemicals this afternoon.
 - b. Question as to why we use Pellitteri. The City will not pick up with their large trucks. Pelitterri is on a five year contract but we will review as that comes up.
 - c. How do we handle violations? DSI drives through the neighborhood once a month. Notices are sent to houses in violation of covenants.
 - i. Technically, we can hire someone to clean up properties and charge the owners. But we would have to file a lien and it would be difficult to find a vendor willing to enter the property without permission.
 - d. Potential for neighborhood cleanup and potentially a neighborhood block party. Ned Hardwick to spearhead.
