A-1) Definitions.

- **A)** "Association" shall mean and refer to as Birchwood Point Homeowners Association, Inc., and its successors and assigns.
- B) "Common Property" includes all those areas located in the Development which are not contained within a Lot and which are intended for common use or are necessary or convenient to the existence, maintenance or safety of the Development. Common Property may also include any additions thereto designated by the Declarant or the Association in any subsequent amendment to this Declaration, and all improvements located on said property, which are intended to be devoted to the common use and enjoyment of members, Owners and Occupants. Common Property shall further include all public or private alleys (if any), accessways, traffic calming measures, plantings, landscaping islands or boulevards, which the City of Madison is not obligated to maintain. Declarant may, by subsequent amendment or easement, designate parts of certain private lands within the Development as Common Property, rendering the Association responsible for maintenance thereof, without subjecting the same to the ownership provisions contained in Section A-3, below.
- C) "Declarant" shall mean and refer to VH Birchwood Point, LLC; a Wisconsin Limited Liability Company and/or their successors and assigns.
- **D)** "Lot" shall mean and refer to the lands described as Birchwood Point as described and depicted in Exhibit "A", now owned by Declarant, but which Declarant in the future intends to convey to purchasers who shall thereupon become members of the Association. The term "Property" or "Properties" shall be synonymous with the term Lot.
- E) "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any of the Properties described in Exhibit "A". A purchaser of any of said Properties by land contract shall be referred to as "Owner" instead of the land contract vendor.
- **F)** "Occupant" shall mean and refer to the occupant of any of the Properties who shall either be an Owner or a lessee who holds a written lease having an initial term of twelve months or more.

G) "Subdivision" shall refer to the lands described in Exhibit "A". The term "Subdivision" is synonymous with the term "Development".

A-2) Membership and Voting Rights.

A) Members. Declarant will incorporate the Association. Each Owner of a Lot shall automatically become a member of the Association. By acceptance of the Deed or other instrument of conveyance, the Owner(s) of each Lot consent to such Owner's membership in the Association whether or not specified on the deed to the Owner. Membership in the Association is appurtenant to each Lot. Each Owner of a Lot shall automatically be entitled to the benefits and subject to the burdens relating to such membership in the Association. The Association shall have authority to manage the Common Property. Persons or entities, including a land contract vendor, who hold an interest merely as security for the performance of an obligation, shall not be members of the Association. Tenants of Properties who are not Owners shall not be members of the Association. To the extent that Declarant owns any Lot, Declarant shall be a member of the Association until such ownership terminates.

B) Voting Rights.

- Each member shall be entitled to one vote for each Lot owned except as set forth in A-2(B) (2) below.
- When there is more than one Owner of a Lot, said Owners shall only be entitled to one collective vote for each Lot. There shall be no fractional votes or voting. When there is more than one Owner of any Lot, the vote attributable to such ownership must be cast unanimously by all the Owners of that Lot, or it shall not be considered for any purpose.
- C) <u>Proxies</u>. Any Member may vote by proxy. All proxies shall be in writing and signed by the Owner or in cases where there is more than one Owner, by all Owners of the Lot.
- **D)** Articles of Incorporation and By-Laws. The purposes and powers of the Association and the rights and obligations with respect to the members thereof, shall be governed by the Articles of Incorporation and By-Laws of the Association; provided, however, that such Articles of Incorporation and By-Laws shall be subject to, and shall not contravene, the terms, conditions, benefits and burdens set forth in this Declaration.
- **E)** First Year's Operating Expenses. Commencing on the date established for the payment of assessments under Section A-4(B)(1), Declarant shall pay to the Association an amount equal to the estimated operating expenses of the Association for a period of one (1) year, less assessments on Lots owned by Declarant actually paid to the Association for the one (1) year period of time. Said payment may shall be made in a lump sum or in twelve (12) monthly installments, at Declarant's option. Prior to said date, Declarant shall be solely responsible for payment of all maintenance expenses.

A-3) Description.

A) Responsibility for Assessments. At the present time, the Declaration is applicable to all Lots located in the Development. Declarant shall turn over to the Association, at the time control is turned over to the Members, any surplus received by the Association of income over expenses. The following table describes the number of assessment units (an "Assessment Unit"), which

are assigned to various Lots in the Development based upon their intended use at the present time. The number of Assessment Units for a particular Lot will be divided by the total number of Assessment Units in the Development to arrive at a particular Lot's percentage share ("Percentage Interest") of assessments for common area maintenance and other expenses, which the Association is permitted to assess to members under the Declaration. The Declarant shall be responsible for payment of assessments attributable to all Lots owned by Declarant, whether in a phase of the Development that has been developed, is currently being developed, or will be developed in the future. For the purposes of the following table, a single family residence shall be deemed a Dwelling Unit. With respect to multi-family residential apartments, duplex homes and townhouses, each apartment, duplex unit or townhouse unit, shall be considered a Dwelling Unit. By way of example and not limitation, if a townhouse has six separate apartments, each such apartment shall be considered a Dwelling Unit and each such apartment shall be assigned one Assessment Unit. With respect to condominiums, each individual condominium unit shall be considered a Dwelling Unit.

Number of <u>Assessment Units</u>

One (1) per Dwelling Unit.

- 1) Single Family:
- 2) Multi-Family Residential Apartments

Use

- Seventy-five/100ths (.75) per Dwelling Unit.
- B) Percentage Interest for Condemnation or Insurance Proceeds. For the purposes of establishing an Owner's percentage of insurance proceeds or condemnation awards in the event any portion of the Common Property is completely destroyed or taken by eminent domain and is not reconstructed, each Owner shall have a percentage interest in the insurance or condemnation proceeds equal to the Percentage Interest of such Owner in the Common Property.
- Conveyance, Lease or Encumbrance of Percentage Interest. Any deed, mortgage, lease or other instrument purporting to convey, encumber or lease for a period of time in excess of one (1) year (a "Lease") any Lot shall be deemed to include the Owner's Percentage Interest in the Common Property and in the insurance proceeds or condemnation awards even though such interest is not expressly described or referred to therein. The conveyance, encumbrance or Lease of an Owner's Percentage Interest in the Common Property independent of the appurtenant Lot and the conveyance, encumbrance or Lease of an appurtenant Lot independent of the Owner's Percentage Interest in the Common Property shall be prohibited.

D) <u>Ownership</u>.

- 1) The Common Property shall be initially owned by the Declarant until conveyed as provided below.
- Property shall be deemed conveyed with each lot to an Owner, whether or not specified on the deed to the Owner. Legal title to the percentage interest in the Common Property shall be deemed conveyed with any subsequence conveyance of a Lot whether or not specifically stated. Taxes, assessments or other charges on the Common Property may be divided according to each Owner's Percentage Interest by the taxing authority or may be an assessment by the Association against each of the Lots in an amount equal to the Percentage Interest attributable to such Lot.

- 3) The Common Property shall be conveyed to the Association by the Declarant. The Association shall be responsible for the payment of any and all present and future general taxes, assessments or other charges against any portion of the Common Property owned by the Association. General property taxes, assessments and other charges shall be prorated between the Declarant and the Association based on the date of conveyance by the Declarant to the Association.
- E) <u>Damage or Destruction of Common Property by Owner</u>. In the event any Common Property is damaged or destroyed by an Owner or any of his guests, lessees, tenants, licensees, agents or member(s) of his family, including pets, said Owner does hereby irrevocably authorize the Association to repair said damage. The Association shall repair and restore any damaged area to its former condition. The amount necessary for said repair shall become a special assessment upon the Property of said Owner.

A-4) Maintenance of Common Property

A) Maintenance Requirements.

- Responsible Party. Declarant shall initially provide for the care, operation, management, maintenance and repair of the Common Property, until the Common Property is conveyed as provided herein. After such time, the Association shall provide for the care, operation, management, maintenance and repair of the Common Property and shall keep the Common Property maintained in good and safe condition.
- 2) General Responsibilities. Maintenance shall include, but not be limited to, responsibility for landscaping and lawn care, trash removal in the alleyways, snow removal including shoveling with particular attention being paid to cross walk ramps and islands, improvements to common areas, upkeep of storm water management facilities which may include detention basins and drainage swales, common property lighting and/or other common property utility charges and any special street design features or traffic calming features.
- special traffic islands and traffic calming measures within the public right-of-way. The Association shall be responsible, at the Association's sole cost and expense, for the maintenance and upkeep of such physical traffic measures. Such maintenance and upkeep shall be performed at the discretion of the Association except to the extent required by the City of Madison, and shall include landscaping, snow and ice removal. If the special street design features or landscaping are not maintained, the City of Madison will give notice to the Association that it is not being maintained. If the Association does not respond to the notice within sixty (60) days, the City may modify the physical traffic measures to minimize maintenance needs; including replacing landscaped surfaces with asphalt. The Association and persons involved with the maintenance and upkeep of the special traffic measures shall indemnify and hold harmless the City of Madison and its boards and commissions, and their officers, agents and employees from and against all claims, demands, loss or liability of any kind, type or description, related to the maintenance and upkeep of the special traffic measures.
- 4) In order to carry out its maintenance obligations, the Association may enter into a long-term contract (i.e., no less than ten (10) years) with a reputable property management company ("Management Company"), pursuant to which contract the Management Company shall assume the maintenance obligations of the Association as provided herein.

5) Any and all expenses incurred by the Management Company, on behalf of and pursuant to its contract with the Association, in connection with the management and maintenance of the Common Property and administration of the Association shall be deemed to be common expenses ("Common Expenses"), including, without limitation, expenses incurred for: landscaping and lawn care; snow shoveling and plowing; trash removal in alleyways; improvements to the Common Property; common grounds security lighting; municipal utility services for Common Property enforcement of this Declaration (including attorneys' fees); and maintenance and management salaries and wages.

B) Assessments.

- 2) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, may, whenever necessary or appropriate, levy special assessments ("Special Assessments") against the Lots for deficiencies in the case of destruction or condemnation, for defraying the cost of improvements to the Common Property or for any other purpose for which the Association and/or the Management Company may determine a Special Assessment is necessary or appropriate for the improvement or benefit of the Subdivision. Special Assessments shall be paid at such time and in such manner as the Association or the Management Company may determine. Any Special Assessment or installment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with the interest, collection costs and reasonable attorneys' fees, shall constitute a lien on the Lot on which it is assessed.
- The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, shall have the right to collect all General and Special Assessments and such sums shall constitute a lien on such Lot. The Owner of a Lot, or any portion thereof, shall be personally obligated to pay such charges which were assessed or accrued upon the land owned during the period of Ownership. The Association or the Management Company, on behalf of and pursuant to its contract with the Association, may commence an action against any Owner personally obligated to pay the charges or to foreclose the lien for such charge against any Lots. Any such foreclosure action may be brought at the Association election, either in the same manner as an action to foreclose a real estate mortgage, or as a proceeding to enforce a statutory maintenance lien as provided in Section 779.70, Wis. Stats., to the extent said Section is applicable. Any lien in favor of the Association/Management Company securing unpaid charges arising by virtue of this Declaration shall be subject and subordinate to the lien of any mortgage whether the mortgage is executed or recorded prior to or after the creation of such lien.
- C) <u>Subordination of the Lien to Mortgages</u>. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Property shall not release the assessment lien. However, the sale or transfer of any Property pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment(s) as to payments which

become due prior to such sale or transfer. No sale or transfer pursuant to foreclosure or proceedings in lieu thereof shall relieve such Property from liability from any assessments thereafter becoming due or from the lien thereof.

D) Joint and Several Liabilities of Grantor and Grantee. Upon a voluntary conveyance, the grantee of a Property shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor as provided in this Declaration up to the time of conveyance, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessment and any such grantee shall not be liable for, nor shall the Property conveyed be subject to a lien for, any unpaid assessments against the grantor pursuant to this Declaration in excess of the amount therein set forth.

At any time, Declarant may elect to surrender the selection of the members of the Committee to the Association.

The Committee appointed hereunder shall serve for the time period specified in paragraph C-10, below. Any Committee member may resign prior to said date. Such resignation shall be effective upon receipt. If a resignation shall occur, prior to turning over control of the Committee, then the remaining members of the Committee may appoint a replacement.

A copy of such Application, plan specifications and plot plans as finally approved shall be deposited with the Committee.
- C-3) Plan Review. The Committee shall review said Application, plans and specifications as to quality of workmanship and materials, harmony of external design with existing or proposed structures and as to location with respect to topography and finish grade elevation. The Committee shall use the guidelines set forth in this Declaration as an aid in exercising its architectural control responsibilities hereunder, but nothing contained herein or therein shall limit the Committee's discretion to grant variances from or make changes to, the guidelines, as they shall determine in the sole exercise of their discretion.

C-4) Procedure.

A) Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant for the initial approval of a residential structure. Thereafter, said Committee may charge a "request for action" or "approval" fee not to exceed Fifty and no/100 Dollars (\$50.00) for each such request or approval. The Committee's

approval or disapproval, as required in these Covenants, shall be in writing. In the event the Committee fails to provide, in writing, approval or disapproval within thirty (30) days after application, plans and specifications or any other matters requiring approval have been submitted to it, the request shall be deemed denied.

All such submissions shall be made to the Committee at the address set forth in this Declaration or to such other address that the Committee may designate.
- C) The Committee shall have the sole right to reject any Application and plans which, in the judgment and sole opinion of a majority of its members are not in conformity with this Declaration; or are not desirable for aesthetic reasons; or are not in harmony with buildings located on the surrounding Lots; or are not in conformity with the general purposes of this Declaration.
- **D)** The Committee shall exercise its sole approval authority and discretion in good faith and each Owner, by acceptance of a deed to, or any other interest in, a Lot, agrees to hold the Committee harmless from any perceived discrepancies in the Committee's good-faith performance of its duties. Refusal of approval of plans by the Committee may be based on any grounds, including purely aesthetic grounds, which in the sole discretion of the Committee shall be deemed sufficient.
- E) The Committee may set its own operating procedures consistent with this Declaration and any limitations hereafter imposed by the Association. The costs of operating the Committee shall be assessed by the Association as Common Property expenses, except as permitted below. The Committee may engage consultants (e.g., architects, engineers or attorneys) either on a general or on a case-by-case basis, and the costs thereof may be charged to an applicant. The members of the Committee shall not draw any compensation for serving thereon but may be reimbursed for expenses incurred in performing their duties. All funds relating to the Committee shall be handled by the Association.
- C-5) <u>Separate City Approval</u>. Matters which require approval of the Committee may also require approval of the City of Madison. Obtaining approval from the Committee and the City of Madison is solely the responsibility of the Owner desiring approval. Each member or former member of the Committee, together with the personal representatives and heirs of each such person, shall be indemnified by the Association against all loss, costs, damages and expenses, including reasonable attorney's fees, asserted against, incurred by or imposed in connection with or resulting from any claim, action, suit or proceeding, including criminal proceedings, to which such person is made or threatened to be made a party by reason of service as a member thereof, except as to matters resulting in a final determination of gross negligence or willful misconduct on the part of such member. In the event of settlement of such proceeding, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of gross negligence or willful misconduct in the performance of such person as a member in the matter involved. This right of indemnification shall be in addition to all other rights and defenses. All liabilities, losses, damages, costs and expenses incurred or suffered by the Association in connection with this indemnification shall be a Common Property expense. Nothing in this Section C-8 shall be deemed an indemnification of such person with respect to such person's status as an Owner, occupant or otherwise.
- C-9) <u>Variance</u>. The Committee shall have the power and absolute discretion to authorize a variance from any of the requirements of this Declaration if it finds that the strict application thereof would, in its sole discretion and opinion, result in difficulties or undue hardship to the Lot owner or in the event the architecture of the proposed Lot improvement is such as to present, in its opinion, a particularly pleasing appearance compatible with other houses in the development.
- C-10) <u>Successor to Committee</u>. Declarant may turn over control of the Committee to the Members of the Association at any time, and shall turn over control when Declarant no longer has any ownership interest in the Property. In addition to the other provisions of these By-Laws, additional Rules and Regulations may hereafter be adopted by the Board of Directors or the Architectural Control Committee, which additional Rules and Regulations shall be observed and enforceable as if fully set forth herein, and shall govern the use of Lots and the conduct of all Owners and Occupants thereof. Every Owner and Occupant shall observe all laws, ordinances, rules and regulations now or hereafter enacted by either the State of Wisconsin, the city, town or village where the Subdivision is located, or adopted by the Association, its Board of Directors or the Architectural Control Committee.

ARTICLE IX

DEFAULT

- Section 1. In the event an Owner does not pay any sum, charge, or Assessment required to be paid to the Association within thirty (30) days from the due date, the same shall constitute a lien on the interest of such Owner. Such lien may be foreclosed by suit by the Association as set forth in the Declaration. Suit to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the lien securing the same.
- Section 2. Any Assessment, or installment thereof, not paid when due shall bear interest from the date when due until paid at a rate to be determined in accordance with the Declaration or by the Board of Directors.
- Section 3. If the Association becomes the Owner of a Property, it shall offer said Property for sale and at such time as a sale is consummated, it shall deduct from the proceeds of said sale all sums of money due it for Assessments and charges, all costs incurred in the bringing of the foreclosure suit, including reasonable attorney's fees, and any and all expenses incurred in the resale of the unit, which shall include but not be limited to advertising expenses, real estate brokerage fees and expenses necessary for the

repairing and refurbishing of the property. All monies remaining after deducting the foregoing items of expense shall be returned to the former Owner of the property.

- Section 4. In the event of a violation of the provisions of the Declaration, the Articles or By-Laws, which violation is not corrected within thirty (30) days after notice from the Association to the Owner to correct said violation, the Association may take such action as it may deem appropriate, including the institution of legal action, to correct the violation.
- **Section 5.** In the event such legal action is brought against an Owner and results in a judgment for the Association, the Defendant shall pay the Association's reasonable attorneys' fees and court costs.
- **Section 6.** Each Owner, for himself, his heirs, successors and assigns, agrees to the foregoing provisions regardless of the harshness of the remedy available to the Association and regardless of the availability of other equally adequate procedures. It is the intent of all Owners to give to the Association such powers and authority which will enable it to operate on a business-like basis, to collect those monies due and owing it from Owner's, and to preserve each Owner's right to enjoy his Property free from unreasonable restraint and nuisance.

ARTICLE X

JOINT OWNERSHIP

Membership may be held in the name of more than one person or corporation. In the event ownership is in more than one person or corporation, all of the joint owners shall be entitled collectively to only one vote in the management of the affairs of the Association and said vote may not be divided between multiple Owners.

ARTICLE XI

SEAL

ARTICLE XII

<u>AMENDMENT</u>

These By-Laws may be amended at any duly called meeting of the Members. The notice of the meeting shall contain a full statement of the proposed amendment. It shall be necessary that there be an affirmative vote of sixty-seven (67%) percent of all the Members who may vote either in person at the meeting or be represented by proxy to amend these By-Laws.

ARTICLE XIII

PERSONAL APPLICATION

All Owners, tenants of such Owners, employees of Owners and tenants, or any other persons that in any manner use the Property or any part thereof shall be subject to the Declaration, Articles and these By-Laws. All agreements, decisions and determinations lawfully made by the Association in accordance with the voting percentages in the Declaration, the Articles or these By-Laws, shall be deemed to be binding on all Owners.

ARTICLE XIV

EFFECTIVE DATE OF BY-LAWS HEREIN ESTABLISHED

These By-Laws are to be effective from the date of their adoption by the Board of Directors of the Association and shall continue in effect until they are amended by an amendment duly adopted by the Members of the Association in accordance with the provisions of ARTICLE XII hereof.

The following table describes the number of assessment units (an "Assessment Unit"), which are assigned to various Lots in the Development based upon their intended use at the present time. The number of Assessment Units for a particular Lot will be divided by the total number of Assessment Units in the Development to arrive at a particular Lot's percentage share ("Percentage Interest") of assessments for common area maintenance and other expenses, which the Association is permitted to assess to members under the Declaration. The Declarant shall be responsible for payment of assessments attributable to all Lots owned by Declarant in Birchwood Point, whether in a phase of the Development that has been developed, is currently being developed, or will be developed in the future. The Declarant shall only be responsible for payment of assessments which are assessed against Lots in any previously developed phase of the Birchwood South subdivision or any phase then currently under development in Birchwood South at the time assessments are made. Future phases in Birchwood South are not subject to assessment. For the purposes of the following table, a single family residence shall be deemed a Dwelling Unit. This is the Third Amendment (the "Amendment") to that certain Declaration of Protective Covenants, Conditions and Restrictions for Birchwood Point, which Declaration was dated November 10, 2014, recorded November 18, 2014 in the Office of the Dane County, Wisconsin Register of Deeds as Document No. 5111295 (the "Original **Declaration**") which the Original Declaration was subsequently amended by Amendments One through Two, each of which amendments is further described in Exhibit "D" attached hereto and incorporated herein by reference (the Original Declaration) and the amendments described in Exhibit "D" shall be herein collectively referred to as the "Declaration". The Declaration was signed by MREC VH Birchwood Point, LLC, a Delaware Limited Liability Company as Declarant. VH Birchwood South, LLC executes this Amendment as a co-declarant with MREC VH Birchwood Point, LLC (hereinafter such entities shall be collectively referred to as the "Declarant"). Declarant hereby amends the Declaration as follows:

- 1) <u>Defined Terms</u>. Terms not otherwise defined herein shall be as defined in the Declaration. Each entity named herein as a Declarant shall be deemed a Declarant for the purposes of the Declaration and this Amendment, but notwithstanding the foregoing, any additional amendment to the Declaration shall require the signature of both entities.
- 2) <u>Legal Description</u>. The legal description of the real property subject to this Amendment and the Declaration is contained in Exhibit "A", attached hereto and incorporated herein by reference, and is collectively referred to herein as the "Property", or the "Subdivision". A reference to "Birchwood Point" shall be a reference to the recorded plat known as Birchwood Point. A reference to "Birchwood South" shall be a reference to the recorded plat known as "Southern Addition to Birchwood Point."

3) Section A-2) G is hereby added with the following: "Calculation of Assessments. The Association shall calculate an Owner's responsibility for assessments based on the following formula:

Total Subdivision Expenses/Total Number of Assessment Units X Assessment Unit(s) of Lot in question.

As used above, the term "Total Subdivision Expenses" shall mean (i) all Common Area Expenses which the Association estimates actually incurring during the budget year in question, plus (ii) all Common Area Expenses which the Association estimates it would incur during the budget year in question if all phases of the Subdivision were completed at the time said calculation is made. Declarant shall not be responsible for assessments on Declarant owned Lots. Declarant shall be responsible for paying to the Association the amount by which the Assessments collected by the Association are less than the amount necessary to pay for all actual Common Area Expenses incurred by the Association for the budget year in question until such time as Declarant owns 5% or less of the lots in the subdivision or control of the Association is turned over to the Owners, whichever occurs first."

4) Section A-3) A is amended in its entirety as follows: "Responsibility for Assessments. The following table describes the number of assessment units (an "Assessment Unit"), which are assigned to various Lots in the Development based upon their intended use at the present time. For the purposes of the following table, a single family residence shall be deemed a Dwelling Unit. With respect to multi-family residential apartments and twin single family homes, each apartment, duplex unit or townhouse unit, shall be considered a Dwelling Unit.

Number of <u>Use</u> Assessment Units

- 1) Single Family in Birchwood Point and One (1) per Dwelling Unit. Birchwood Point South:
- 2) Multi-Family Residential Apartments in Seventy-five/100th (.75) per Dwelling Unit Birchwood Point
- Twin Homes in Birchwood Point South (2 unit attached residential)

 One (1) per Dwelling Unit (each side defined as a dwelling unit)"
- 5) Section A-3) B is amended in its entirety as follows: "Percentage Interest for Condemnation or Insurance Proceeds. For the purposes of establishing an Owner's percentage of insurance proceeds or condemnation awards in the event any portion of the Common Property is completely destroyed or taken by eminent domain and is not reconstructed, each Owner shall have a percentage interest in the insurance or condemnation proceeds equal to the Percentage Interest of such Owner in the Common Property. "Percentage Interest" shall be calculated as follows: the number of Assessment Units for a particular Lot will be divided by the total number of Assessment Units in the Development to arrive at a particular Lot's percentage share (the "Percentage Interest") of assessments for common area maintenance and other expenses, which the Association is permitted to assess to Class A Members under the Declaration."
- 6) Section A-3) (F) and (G) are hereby added as follows:
 - (F) Section A-3) F: "<u>Association Management</u>. The Association is required to retain a professional property management company with the experience necessary to perform the duties of the Association (the "Management Company"). The Association shall enter into a

management contract (the "Management Contract") with the Management Company on such terms and conditions as the Association and the Management Company shall agree. The initial Management Company is DSI Real Estate Group, Inc., a Wisconsin Corporation, which is affiliated with the Declarant by reason of common ownership. The Management Contract between DSI Real Estate Group, Inc. and the Association has not been negotiated on an arm's length basis."

(G) Section A-3) G: "General Fund. As used herein, the term "Surplus" shall mean the amount by which assessments collected by the Management Company on behalf of the Association to pay for common expenses relating to the Property exceed the common expenses for the fiscal year in question. The Management Company shall deposit and hold any Surplus in the Association's operating account maintained by the Management Company. The Surplus, in the discretion of the Association working in conjunction with the Management Company, may be applied to future Association expenses as they become due, but there shall be no obligation on either the Association's or the Management Company's part to return the Surplus to lot owners."

7) Section A-4 (B) (2) and (3). Section A-4) B (2) and (3) are amended in their entirety as follows:

- (2) "The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, may, whenever necessary or appropriate, levy special assessments ("Special Assessments") against the Lots for deficiencies in the case of destruction or condemnation, for defraying the cost of improvements to the Common Property or for any other purpose for which the Association and/or the Management Company may determine a Special Assessment is necessary or appropriate for the improvement or benefit of the Subdivision. In addition, the Association shall have the authority to levy Special Assessments against one or more of the Lots, but less than all, in cases where the Association incurs expenses that are attributable to the act or failure to act by one or more Lot Owners in violation of this Declaration, the Articles of Incorporation, By-laws or rules of the Association in effect from time to time. Special Assessments may also be imposed by the Association for failure to pay any Fines levied against an Owner pursuant to the provisions of Section E-2, below. Special Assessments shall be paid at such time and in such manner as the Association or the Management Company may determine. Any Special Assessment or installment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with the interest, collection costs and reasonable attorneys' fees, shall constitute a lien on the Lot on which it is assessed."
- (3) "The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, shall have the right to collect all General and Special Assessments and such sums shall constitute a lien on the Lot or Lots against which the Assessment is made. The Owner of a Lot, or any portion thereof, shall be personally obligated to pay such charges which were assessed or accrued upon the land owned during the period of Ownership. The Association or the Management Company, on behalf of and pursuant to its contract with the Association, may commence an action against any Owner personally obligated to pay the charges or to foreclose the lien for such charge against any Lots. Any such foreclosure action may be brought at the Association's election, either in the same manner as an action to foreclose a real estate mortgage, or as a proceeding to enforce a statutory maintenance lien as provided in Section 779.70, Wis. Stats., to the extent said Section is applicable. Any lien in favor of the Association/Management Company securing unpaid charges arising by virtue of this Declaration shall be subject and subordinate to the lien of any mortgage whether the mortgage is executed or recorded prior to or after the creation of such lien."

8) Section B-2) Land Use and Building Type.

- a) The first sentence of Section B-2)B is modified to read as follows: "Lots 2-231 Birchwood Point, Lots 244-262, 319-328, 339-406 and 420-440 Birchwood South shall be used for single family residential purposes." All other terms of Section B-2) B, shall remain unchanged.

Section B-16) (B) 5 is hereby added as follows: "After control of the Association is turned over by the Declarant to the Owners, the foregoing provisions of this Section B-16 (B)) 1-3 shall not be amended, repealed, modified or changed without the advance, written consent of 75% of all Owners of Lots bordering any Alleys in the Subdivision, it being the intent of the Declarant that any change in the obligations of the Association with respect to the Alleys require the approval of a super majority of the Owners whose Lots border the Alleys and who benefit from the maintenance and services provided by the Association."
- 11) <u>Section B-18.</u> Section B-18 is hereby deleted in its entirety and replaced with the following: "Fences and Markers. Section A-3)A describes the number of Assessment Units which are assigned to various Lots in the Development based upon their intended use at the present time. The number of Assessment Units for a particular Lot will be divided by the total number of Assessment Units in the Development to arrive at a particular Lot's percentage share ("Percentage Interest") of assessments for Common Expenses, which the Association is permitted to assess to members under the Declaration. The Declarant shall be responsible for payment of assessments attributable to Lots on which one or more Dwelling Units have been constructed and as to which an occupancy permit has been issued by the appropriate municipality ("Developed Lots"). The amount of Common Expenses shall be based on the Association's estimate of the Common Expenses to be incurred for all Developed Lots and such other Lots as are anticipated to become Developed Lots during the budget year in question."
- 6) Section B-2)F. Section B-2)F is hereby deleted in its entirety and replaced with the following: "Outlot 3 Birchwood Point and Outlots 19, 20 and 30 Birchwood South shall be used as private open space."
- 7) Section B-7)J. Section B-7)J is hereby deleted in its entirety and replaced with the following: "Lots 291 and 318 Birchwood South will have a 15'x10' private storm easement along their rear property line. Lot 424 will have a 10'x20' private storm easement along its rear property line. Lots 291, 318 and 424 shall be made subject to a Declaration of Private Storm Sewer Easement by separate, recorded document. Owners will be responsible for mowing around the inlet and the Association will be responsible to maintain the easement over and above normal maintenance. Fences will be allowed, but may need to hand dig post holes around underground pipe. If the Association or other service company needs access to this easement, sections of the fence will be removed at the Owners expense. Owners of these Lots will need City approval to construct a fence within easement."
- 8) Section B-7)M. Section B-7)M is hereby added with the following: "Certain Lots will feature grouped mailboxes (CBU cluster box units). Each Lot will be subject to a recorded Multi-User Mailbox Easement. The selected Lots for the CBU's will be determined by phase and will be noted in the Neighborhood Disclosure Addendum A for Buyer's notification at the time the Sales Contract is signed."
- 9) Section B-16. Section B-16 is hereby deleted and replaced with the following: "Notices to Owners. The following information is being put of record in order to give record notice to all Owners, mortgagees and other persons and entities having an interest in the Property:
 - A) Private: Private Alleys (collectively, "Alleys") are shown on the Plat as Outlots. Said Alley will be conveyed to the Association. The cost of the maintenance of the Alleys shall be the responsibility of the Association. Certain Lots in the Development border Alleys, which are intended to serve as the access to such Lots. Restrictions on the Alleys are summarized as follows:

- 1) Certain Outlots in the subdivision may be shown on the Plat as either public or private alleys. Public and private alleys may or may not benefit from services provided by the municipality typically associated with public streets, including but not limited to repairs, replacement, trash pickup and snow plowing. Services not provided by the municipality will be provided by the Association at the expense of all Lot Owners, whether the alley is public or private.
- 2) Homes with garage access to a private alley are required to have two (2) "coach" lights on each side of the garage door, which will be wired to a photo electric eye for automatic use from dusk to dawn. The lights have been pre-selected by Declarant. There are four (4) selections available. It is the Buyer's responsibility to maintain the lights so that they are always operational.
- 3) After control of the Association is turned over by the Declarant to the Owners, the foregoing provisions of this Declaration shall not be amended, repealed, modified or changed without the advance, written consent of 75% of all Owners of Lots bordering any Alleys in the Subdivision, it being the intent of the Declarant that any change in the obligations of the Association with respect to the Alleys require the approval of a super majority of the Owners whose Lots border the Alleys and who benefit from the maintenance and services provided by the Association.
- B) Plantings, flower beds, and entry signs (including utility installations connected therewith) constructed and installed b Declarant, if any, shall be deemed a part of the Common Area. The Association is obligated to maintain any entry feature; maintenance shall include electrical charges (if any), sign repair and maintenance of the landscaping including mowing of all lawns and grass areas. The cost of maintenance of said Common property shall be an assessment against all of the Property in the subdivision in accordance with the Declaration, for so long as such maintenance is necessary or required."
- 10) <u>Section C-2.</u> Section C-2 is amended to add the following information: The Application can be found on the DSI Real Estate website <u>www.dsirealestate.com</u>. Select Architectural Control (ACC) Project Approval and select the appropriate application for your request."
- 11) Exhibit "I". Exhibit "I" in the Third Amendment is deleted in its entirety and replaced with Exhibit "I" attached hereto.
- 12) <u>Effect of Amendment.</u> Except as amended herein, all terms, covenants and conditions of the Declaration shall remain unchanged.
