 - Letter was mailed out on February 12th, 2024

D) Officers Reports

- a. The Association has a total of 117 assessment units. Currently there is one owner that has yet to pay. Late fees are assessed in March, and after late letters go out, if no payment is received by May we will move forward with the lien filing process. Once a lien is filed, the homeowner is unable to sell or refinance without first paying the dues and satisfying the lien.
- b. Veridian Homes pays the dues on all vacant lots; so all 117 units are paying in each year.

E) Committee Reports

- a. ACC Update: The ACC web page is a great starting point when you are considering an exterior or structural change project on your lot. The web page offers fillable PDF applications, as well as the Covenants (CCR's) and other project information <u>https://www.dsirealestate.com/condo-hoa/acc/</u>
- b. The ACC can be contacted at : <u>acc@dsirealestate.com</u>

F) Elections

a. None at this time. Elections and conveyance will occur once the neighborhood is 100% complete; currently the neighborhood is 33% complete. More information regarding elections will be presented as the neighborhood is closer to completion.

G) Unfinished Business

a. Please be respectful and clean up after your pets.

H) Adoption and Approval of an Annual Budget

I) New Business – Submitted Questions

1. The letter indicates a reimbursement from Veridian is being discussed, to cover the general fund shortfall due to veridian's change to the SOW. What recourse do we have if they do not issue a reimbursement?

-We are requesting \$8,125 to cover the cost of the additional snow removal. If they deny our request, the only recourse is to send out an invoice to all lots that paid in to the 2023 budget. This would include Veridians vacant lots. They would end up paying \$7,013.89. The other 16 occupied homes would pay \$69.45. This is not likely.

2. The budgeted amount for trash collection greatly exceeded the actualized expense. How is the budgeted amount determined?

-We base it on the phase(s) that are planned for that year. In the 2023 phase, there are 24 carriage lane homes. Equation is below –

24 Lots * \$17.00 = \$408 per month \$408 * 12 months = \$4,896

3. The issuance of the 2024 budget indicated that fees increased "due to additional areas that the HOA is responsible for snow removal, as well as landscaping." Will these fees return to the original level once the associated lots are sold?

- All lots pay every year. Veridian Homes pays dues on all vacant and under construction lots. The maintenance costs will typically increase until the entire neighborhood is developed. The only exception to this is the McFarland park, the Village will take over maintenance of the park once it is completed and approved by them.

4. Why aren't we asking the developer for all of the snow removal overage? Feels like we are pulling from other budget items not fully utilized rather than rolling over those funds to next year and asking the developer for all of the snow removal cost overage. How was the ask of \$7,000+ calculated?

We cannot predict when it is going to snow, or how much it will snow. The budget is just an estimate of what we anticipate the costs to be. If the costs go over, the HOA is responsible for that shortfall. The only reason we are asking for the developer to pay a portion of the overage, is because the scope of work provided was not accurate. Please note that VH paid for 86% of the entire budget for 2023.

5. Do you plan to keep a reserve for longer term budget items that aren't annual expenses?

Yes, the balance of the reserve fund is currently \$2,800.

6. Are there any annual caps on our association fees?

We do our best to keep the dues relatively low, but the maintenance costs need to be covered.

7. Why are we having to pay CBU spots when the homeowners clear them or they don't get done?

Please do not clear the concrete pad that the CBU is on, this is to be done by the vendor. Homeowners are responsible for clearing the sidewalk leading up to the CBU but not the CBU plank area. When snow removal is missed, please email <u>hoa@dsirealestate.com</u> right away, the two of us monitor that inbox every snowfall.

8. The alleyway has never been completely cleared. They did one path and left 2-3 ft covered making it hard for us to get out and get through.

Please report this to the HOA and the contracted vendor will come back out to finish.

9. Who do we contact if a lot is not being properly maintained?

Please contact the HOA @ <u>hoa@dsirealestate.com</u> and we will follow up with the owner.

10. Who do we call if there are issues with the rental homes?

You can send a note to the HOA email address, and we will share it with the property manager and request the issue be resolved. The rentals are managed by DSI Real Estate Group, we have a separate department that handles residential properties.
