**NOW, THEREFORE,** the Developer declares that the real property described in Exhibit "A" will and shall be sold, transferred and conveyed subject to the easements, covenants, restrictions, assessments, charges and liens hereinafter set forth.

**A-1) Definitions.**

**A)** "Association" shall mean and refer to Grandview Commons Homeowners Association, Inc., and its successors and assigns.

**B)** "Common Property" shall mean and refer to that land described and/or depicted in Exhibit "B", and any additions thereto designated by the Developer or the Association in any subsequent amendment to this Declaration, and all improvements located on said property, which are intended to be devoted to the common use and enjoyment of members, Owners and Occupants. Developer may, by subsequent amendment or easement, designate parts of certain private lands within the Development as Common Property, rendering the Association responsible for maintenance thereof, without subjecting the same to the ownership provisions contained in Section A-3, below.

**C)** "Developer" shall mean and refer to Great Neighborhoods, Inc., a Wisconsin Corporation, or its successor and assigns.

**D)** "Property" or "Properties" shall mean and refer to the lands described as Phase 1 in Exhibit "A", now owned by Developer, but which Developer in the future intends to convey to purchasers who shall thereupon become members of the Association. The term "Lot" shall be synonymous with the term Property.

**E)** "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any of the Properties described in Exhibit "A". A purchaser of any of said Properties by land contract shall be referred to as "Owner" instead of the land contract vendor.

**F)** "Occupant" shall mean and refer to the occupant of any of the Properties who shall either be an Owner or a lessee who holds a written lease having an initial term of twelve months or more.

**G)** Reference to a "Phase," followed by a numeral, shall refer to those Phases described in Exhibit "A," all of which constitute the entire Property. Developer reserves the right to change, without the consent of the Association or any other Owner, Occupant or their mortgagees, the Lots designated in any particular Phase by a written instrument specifically referring to this Declaration and stating the amendment with respect to the definition of any Phase. Non-residential Phases are as identified in said Exhibit "A". This Declaration shall only be effective as to Phase 1 described in Exhibit "A", with the effectiveness as to subsequent Phases being dependant upon Developer recording an amendment hereto making this Declaration applicable to any such Phase.

**H)** "Book of Regulations" shall mean and refer to the document containing the resolutions setting forth the rules, regulations and policies established and adopted by the Board of Directors as the same may be from time to time adopted, recorded and/or amended.

**A-2) Membership and Voting Rights.**

**A) Members.** Prior to the recording hereof, Declarant has incorporated the Association. Each Owner of a Property shall automatically become a member of the Association. By acceptance of the Deed or other instrument of conveyance, the Owner(s) of each Property consent to such Owner's membership in the Association. Membership in the Association is appurtenant to each Property. Each Owner of a Property shall automatically be entitled to the benefits and subject to the burdens relating to such membership in the Association. The Association shall have authority to manage the Common Property. Persons or entities, including a land contract vendor, who hold an interest merely as security for the performance of an obligation, shall not be members of the Association. Tenants of Properties who are not Occupants shall not be members of the Association. To the extent that Developer owns any property, Developer shall be a member of the Association until such ownership terminates.

**B) Voting Rights.**

1) Each member shall be entitled to one vote for each Property owned except as set forth in 2(B)(2) below.

2) When there is more than one Owner of a Property, said Owners shall only be entitled to one collective vote for each Property. There shall be no fractional votes or voting. When there is more than one Owner of any Property, the vote attributable to such ownership must be cast unanimously by all the Owners of that Property, or it shall not be considered for any purpose.

**C) Proxies.** Any Member may vote by proxy. All proxies shall be in writing and signed by the Owner, or in cases where there is more than one Owner, by all Owners of the Property.

**D) Articles of Incorporation and By-Laws.** The purposes and powers of the Association and the rights and obligations with respect to the members thereof, shall be governed by the Articles of Incorporation and By-Laws of the Association; provided, however, that such Articles of Incorporation and By-Laws shall be subject to, and shall not contravene, the terms, conditions, benefits and burdens set forth in this Declaration.

**E) First Year's Operating Expenses.** Commencing on the date established for the payment of assessments under Section A-4(B)(1), Developer shall pay to the Association an amount equal to the estimated operating expenses of the Association for a period of one (1) year, less assessments on Lots owned by Developer actually paid to the Association for the one (1) year period of time. Said payment may be made in a lump sum or in twelve (12) monthly installments, at Developer's option. Prior to said date, Developer shall be solely responsible for payment of all maintenance expenses.

**A-3) Common Property.**

**A) Common Property.** The Common Property includes all those areas located in the Subdivision which are not contained within a Lot and which are intended for common use or are necessary or convenient to the existence, maintenance or safety of the Subdivision.

**B) Percentage Interests.** Each Owner shall own an undivided percentage interest in the Common Property, appurtenant to each Lot, which interest shall be a percentage

equal to the total square footage of the applicable Lot divided by the total square footage of all Lots in the Subdivision, carried out to four (4) decimal places ("Percentage Interest").

**C) Percentage Interest for Condemnation or Insurance Proceeds.** For the purposes of establishing an Owner's percentage of insurance proceeds or condemnation awards in the event any portion of the Common Property is completely destroyed or taken by eminent domain and is not reconstructed, each Owner shall have a percentage interest in the insurance or condemnation proceeds equal to the Percentage Interest of such Owner in the Common Property.

**D) Conveyance, Lease or Encumbrance of Percentage Interest.** Any deed, mortgage, lease or other instrument purporting to convey, encumber or lease any Lot shall be deemed to include the Owner's Percentage Interest in the Common Property and in the insurance proceeds or condemnation awards even though such interest is not expressly described or referred to therein. The conveyance, encumbrance or lease of an Owner's Percentage Interest in the Common Property independent of the appurtenant Lot and the conveyance, encumbrance or lease of an appurtenant Lot independent of the Owner's Percentage Interest in the Common Property shall be prohibited.

**E) Ownership.**

1) The Common Property shall be initially owned by the Declarant until conveyed as provided hereinbelow.

2) At the time of purchase, legal title to a percentage interest in the Common Property shall be conveyed with each Lot to an Owner. Taxes, assessments or other charges on the Common Property may be divided according to each Owner's Percentage Interest by the taxing authority or may be an assessment by the Association against each of the Lots in an amount equal to the Percentage Interest attributable to such Lot.

3) Any portion of the Common Property not previously conveyed to Owners shall be conveyed to the Association at such time as seventy-five percent (75%) of the Lots have been conveyed to purchasers. The Association shall be responsible for the payment of any and all present and future general taxes, assessments or other charges against any portion of the Common Property owned by the Association. General property taxes, assessments and other charges shall be prorated between the Declarant and the Association based on the date of conveyance by the Declarant to the Association.

4) Declarant, the Association and all Owners of a percentage interest in the Common Property hereby waive notice and protest of any tax or assessments levied by the City of Madison against such Owners or any part of the Property attributable to the Common Property in which such Owners, the Association or the Declarant may have an interest.

**F) Damage or Destruction of Common Property by Owner.** In the event any Common Property is damaged or destroyed by an Owner or any of his guests, lessees, tenants, licensees, agents or member(s) of his family, including pets, said Owner does hereby irrevocably authorize the Association to repair said damage. The Association shall repair and restore any damaged area to its former condition. The amount necessary for said repair shall become a special assessment upon the Property of said Owner.

#### **A-4) Maintenance of Common Property**

003317

##### **A) Maintenance.**

1) Declarant shall initially provide for the care, operation, management, maintenance and repair of the Common Property, until the Common Property is conveyed as provided herein.

2) The Association shall provide for the care, operation, management, maintenance and repair of the Common Property. Maintenance shall include, but not be limited to, responsibility for landscaping of any special street design features or traffic calming features, including snow shoveling, with particular attention being paid to cross walk ramps and islands. Several streets within the Property will include special traffic islands and traffic calming measures within the public right-of-way. The Association shall be responsible, at the Association's sole cost and expense, for the maintenance and upkeep of such physical traffic measures. Such maintenance and upkeep shall be performed at the discretion of the Association except to the extent required by the City of Madison, and shall include landscaping. If the landscaping is not maintained, the City of Madison will give notice to the Association that it is not being maintained. If the Association does not respond to the notice within sixty (60) days, the physical traffic measures will be topped with an asphalt pavement. The Association and persons involved with the maintenance and upkeep of the special traffic measures shall indemnify and hold harmless the City of Madison and its boards and commissions, and their officers, agents and employees from and against all claims, demands, loss or liability of any kind, type or description. The Association shall maintain the Common Property in a good and safe condition, including, without limitation, performing lawn care and snow removal, and assess the cost of maintenance of the Common Property as provided herein. In order to carry out its maintenance obligations, the Association shall enter into a long-term contract (i.e., no less than ten (10) years) with a reputable property management company ("Management Company"), pursuant to which contract the Management Company shall assume the maintenance obligations of the Association as provided herein.

3) Any and all expenses incurred by the Management Company, on behalf of and pursuant to its contract with the Association, in connection with the management and maintenance of the Common Property and administration of the Association shall be deemed to be common expenses ("Common Expenses"), including, without limitation, expenses incurred for: landscaping and lawn care; snow shoveling and plowing; improvements to the Common Property; common grounds security lighting; municipal utility services; enforcement of this Declaration (including attorneys' fees) and maintenance and management salaries and wages.

##### **B) Assessments.**

1) The Management Company, on behalf of and pursuant to its contract with the Association, shall levy monthly general assessments ("General Assessments") against each Lot for the purpose of maintaining a fund from which Common Expenses may be paid. The General Assessments against each Lot shall be assessed according to their Percentage Interests in the Common Property. General Assessments shall be due in advance on the first day of each month, or in such other manner as the Association may set forth in the Bylaws. Any General Assessment not paid when due shall bear interest at a rate of ten percent (10%) until paid and, together with interest, collection costs, and reasonable attorneys' fees,

shall constitute a lien on the Lot on which it is assessed. General Assessments shall commence on the first day of the 6<sup>th</sup> complete calendar month after the sale of a Lot to a third party purchaser who is not the Developer or an affiliate thereof.

2) The Management Company, on behalf of and pursuant to its contract with the Association, may, whenever necessary or appropriate, levy special assessments ("Special Assessments") against the Lots for deficiencies in the case of destruction or condemnation, for defraying the cost of improvements to the Common Property or for any other purpose for which the Association/Management Company may determine a Special Assessment is necessary or appropriate for the improvement or benefit of the Subdivision. Special Assessments shall be paid at such time and in such manner as the Association/Management Company may determine. Any Special Assessment or installment not paid when due shall bear interest at a rate of ten percent (10%) until paid and, together with the interest, collection costs and reasonable attorneys' fees, shall constitute a lien on the Lot on which it is assessed.

3) The Management Company, on behalf of and pursuant to its contract with the Association, shall have the right to collect all General and Special Assessments and such sums shall constitute a lien on such Lot. The Owner of a Lot, or any portion thereof, shall be personally obligated to pay such charges which were assessed or accrued upon the land owned during the period of Ownership. The Management Company, on behalf of and pursuant to its contract with the Association, may commence an action against any Owner personally obligated to pay the charges or to foreclose the lien for such charge against any Lots. Any such foreclosure action may be brought at the Management Company's election, either in the same manner as an action to foreclose a real estate mortgage, or as a proceeding to enforce a statutory maintenance lien as provided in Section 779.70, Wis. Stats., to the extent said Section is applicable. Any lien in favor of the Association/Management Company securing unpaid charges arising by virtue of this Declaration shall be subject and subordinate to the lien of any mortgage whether the mortgage is executed or recorded prior to or after the creation of such lien.

C) **Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Property shall not release the assessment lien. However, the sale or transfer of any Property pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment(s) as to payments which become due prior to such sale or transfer. No sale or transfer pursuant to foreclosure or proceedings in lieu thereof shall relieve such Property from liability from any assessments thereafter becoming due or from the lien thereof.

D) **Joint and Several Liability of Grantor and Grantee.** Upon a voluntary conveyance, the grantee of a Property shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor as provided in this Declaration up to the time of conveyance, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefor. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessment and any such grantee shall not be liable for, nor shall the Property conveyed be subject to a lien for, any unpaid assessments against the grantor pursuant to this Declaration in excess of the amount therein set forth.

**B-1) Fully-Protected Residential Area.** The following provisions in this Part II shall apply to Phase I, as described in Exhibit "A" and such other Phases as may, in the future, be subjected to this Declaration, as the same may be amended from time to time, by Developer in the sole exercise of Developer's discretion. **B-2) Land Use And Building Type.** The Property shall be used for residential purposes, including gardens. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family dwelling unit not to exceed two and one-half stories in height. Each dwelling unit shall have an attached or detached garage of a size to be approved by the Committee, as that term is defined below. The size of a dwelling unit to be constructed on specific Lots shall not be less than the minimum size to be established pursuant to an amendment to this Declaration to be recorded by Developer for this purpose.

**B-3) Architectural Control.** No building shall be erected, placed or altered on any Lot until the construction plans and specifications and a plan showing the location of the structure have been approved by a majority of the Architectural Control Committee (the "**Committee**") as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. There shall be a variation in building elevations on adjacent Lots. Approval shall be as provided below.

**B-4) Dwellings And Landscaping.** The landscaping to be installed on all Lots in Phase I must meet or exceed the minimum number of points for foundation planting and cumulative total landscaping points, including foundation planting points to be established pursuant to an amendment to this Declaration to be recorded by Developer for this purpose. All driveways shall be of concrete and shall be installed within nine (9) months after substantial completion of the structure. No outbuilding or accessory building of any nature shall be erected on any Lot. No above-ground swimming pools shall be permitted. All Lot areas not used as a building site, or under cultivation as a family garden, shall be planted with grass seed or shall be sodded, and shall be maintained on a regular seasonal basis, including mowing of a frequency of not less than once every 14 days during the lawn growing season. Maintenance of all improvements on a Lot shall be performed by the Owner. Maintenance shall include, but not be limited to, watering, pruning and routine fertilizing and mulching of all plantings and plant beds, replacement of dead, dying and/or diseased trees and shrubs, prompt removal of weeds, trash and debris from plant beds and areas adjacent to shrubs and trees so as to keep said landscaping in a healthy, attractive and neat condition.

If the Owner of any Lot, after reasonable notice, fails or refuses to install landscaping as described herein, or maintain it as required above, the Committee, through its duly authorized agents or employees, shall have the right to enter upon said Lot at reasonable hours to perform said landscaping and/or maintenance. The costs of the materials and labor to perform such landscaping and/or maintenance shall be assessed against said Lot in

accordance with the terms of Part I, paragraph (4), above, which assessment may be foreclosed or collected in accordance with the terms hereof or collected as provided herein.

**B-5) Vehicle and/or Equipment Storage.** No inoperable, dilapidated or junk vehicles of any nature may be kept upon any Lot except in a fully enclosed garage. The easement area of each Lot and all improvements in it shall be maintained continuously by the owner of the Lot, except for those improvements for which a public authority or utility company is responsible. No drainage swale shall be graded or obstructed so as to impede the flow of water from other Lots or outlots through such swale. Any disputes relating to drainage swales, drainage or other surface water issues, shall be resolved by the Board of Directors of the Association, which may seek the advise of the City Engineer of the City of Madison. The Association shall establish procedures by which such decisions can be heard by the Board of Directors and decided by said Board.

**B-8) Nuisances.** No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or which may have a detrimental effect on the value of other Lots and/or improvements.

The same sight-line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

**B-14) Fences.** All fences must be approved by the Committee or its designated approving authority, and shall comply with any requirements for fences set out in the Design Guidelines, as that term is defined in Section C-3, below. **B-18) Solar Collectors.** No active solar collector or apparatus may be installed on any Lot unless such installation is first approved in writing by the Committee which shall consider the aesthetic and sun reflection effects on neighboring structures. Solar collectors or apparatus installed flat against or parallel to the plane of the roof shall be preferred.

**B-19) Lighting.** Exterior lighting installed on any Lot shall either by indirect or of such controlled focus and intensity that such lighting will not disturb the residents of adjacent Lots.

**B-20) Mailboxes.** Mailboxes serving homes in the neighborhood, whether individual or multi-gang shall be as determined and as provided by the Developer at the Developer's sole cost and expense, and shall be replaced if necessary, with a mailbox identical in all respects with that originally provided, at the sole cost and expense of the Owner(s).

**B-21) Notices to Owners.** The following information is being put of record in order to give record notice to all Owners, mortgagees and other persons and entities having an interest in the Property:

A) Portions of the Property may be within an area subject to elevated ambient highway noise levels on account of the proximity of the Property to adjoining highways and streets.

B) Portions of the Property may be affected by an active quarry operation which is located on certain lands adjoining the Property. Certain portions of the Property are located within 300 feet of the boundary of said quarry operation.

C) Portions of the plat in which the Property is located have been approved for multi-family apartments or condominiums, for commercial-retail and commercial-offices, as more particularly described in the recorded Zoning Text referred to in Section D-5 below. By acceptance of a deed to a Lot, Owners hereby accept such uses and waive any objections to the uses as described in the Zoning Text.

### **Part C** **ARCHITECTURAL CONTROL COMMITTEE**

**C-1) Membership.** The Committee is composed of the following persons, who are also the initial Directors of the Association:

|                    |                                               |

| Karen Simon Dreyer | 2800 Royal Avenue<br>Madison, Wisconsin 53713 |

A majority of the Committee may designate a representative to act for it. The initial designated representative shall be David P. Simon. In the event of the death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor.

The Committee appointed hereunder shall serve for the time period specified in paragraph C-8, below. Any Committee member may resign prior to said date. Such resignation shall be effective upon receipt. If a resignation shall occur, prior to turning over control of the Committee, then the remaining members of the Committee may appoint a replacement.

**C-3) Plan Review.** The Committee shall review said plans and specifications as to quality of workmanship and materials, harmony of external design with existing or proposed structures and as to location with respect to topography and finish grade elevation. It is contemplated that the Development will be the subject of a comprehensive, written set of design guidelines (the "**Design Guidelines**"). The Design Guidelines shall be available to Owners, builders and others constructing improvements in the Development as an aid to such construction. The Committee shall use the Design Guidelines as an aid in exercising its architectural control responsibilities hereunder, but nothing contained herein or therein shall limit the Committee's discretion to grant variances from or make changes to, the Design Guidelines, as they shall determine in the sole exercise of their discretion.

**C-4) Procedure.** Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant for the initial approval of a residential structure. Thereafter, said Committee may charge a "request for action" or "approval" fee not to exceed \$50.00 for each such request or approval. The Committee's approval or disapproval, as required in these Covenants, shall be in writing. In the event the Committee fails to approve or disapprove within thirty (30) days after plans and specifications or any other matters requiring approval have been submitted to it, approval shall not be required and the related covenants shall be deemed to have been complied with fully.

**C-5) Records.** Until such time as a replacement Committee is designated, all plans, applications and requests shall be submitted to said Committee at the following address: Grandview Commons Architectural Control Committee, c/o David P. Simon, 2800 Royal Avenue, Madison, Wisconsin 53713.

**C-7) Variance.** The Committee shall have the power and absolute discretion to authorize a variance from any of the requirements of these Restrictions and Covenants if it finds that the strict application thereof would, in its sole discretion and opinion, result in difficulties or undue hardship to the Lot owner or in the event the architecture of the proposed Lot improvement is such as to present in its opinion a particularly pleasing appearance compatible with other houses in the development.

**C-8) Successor to Committee.** Developer may turn over control of the Committee to the Members of the Association at any time, and shall turn over control when Developer no longer has any ownership interest in the Property. At such time as Developer turns over control, the Association's Board of Directors shall designate not less than three (3) or more than five (5) Members of the Association to serve and act as the Committee for all purposes hereunder.

**Part D**  
**GENERAL PROVISIONS**

003324

**D-1) Term.** This Declaration shall run with the Property and Common Property, and shall be binding on Developer and all Members and their successors and assigns, and all persons claiming under them for a period of twenty-five (25) years from the date recorded, after which time said Declaration shall be extended automatically for successive periods of five (5) years each unless an instrument signed by a majority of the Members agreeing to change said Covenants in whole or in part or to terminate the same.

**D-2) Enforcement.** The Architectural Committee or any Owner shall have the right to enforce by any proceedings at law or in equity all restrictions, conditions and covenants created or imposed herein, against any person or persons violating or attempting to violate any covenant, by any action to either restrain violation or to recover damages, or both including reasonable attorney fees. Failure to enforce any covenant, condition or restriction herein shall in no event be deemed a waiver of the right to do so thereafter. In the event of a violation of this Declaration the Committee shall have the right to assess and collect from the violating party a fine for such violation equal to the greater of (i) the actual damages suffered on account of the violation, or (ii) the sum of \$100.00 per day for each day the violation remains outstanding plus (iii) all costs of collection and enforcement, including actual attorney fees.

**D-3) Severability.** Invalidity of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and affect.

**D-4) Amendment.** At any time until Developer conveys all of the Lots which comprise the entire Property, including all Phases, or turns control of the Association over to its Members, whichever occurs first, Developer may modify, amend, alter and grant variances to this Declaration without the consent of any Member, Owner or Occupant or any other party, including the Association. In addition, Developer may elect to make this Declaration applicable to any subsequent Phase of the Development, without the consent or approval of the Association, its Board of Directors or any of its Members or their Mortgagees or any Owner or Occupant, except that no such Amendment may increase the percentage share of a Member's assessment under Paragraph A-4, above.

**D-5) Zoning Text.** This Declaration is intended to supplement that certain Zoning Text for Grandview Commons dated November 5, 2002, recorded on November 13, 2002, as Document No. 3589157, at pages 2894 to 3117. In the event of a conflict between the provisions hereof and the provisions of the Zoning Text, the provisions of the Zoning Text, limited to the pages enumerated above, if any shall control. Notwithstanding the foregoing, the Zoning Text shall be subject to the terms of paragraph D-4, above.

**Part E**  
**SIDEYARD RESTRICTIONS**

**E-1) Applicability.** The provisions of this Part E shall be applicable to those Lots described in Exhibit "E," attached hereto and incorporated herein by reference (the "**Affected Lots**"). Developer reserves the right to amend the description of the Affected Lots at any time hereunder so long as amendment is permitted under Section D-4 above, to the same extent as permitted therein.

**E-2) Sideyard Restriction.** As shown in the Grandview Commons Plat, the Affected Lots are contiguous to each other. It is Developer's intent to construct houses on the Affected Lots that have a sideyard of seven (7) feet on one side and a sideyard of three (3) feet on the other side. There will therefore be a total of ten (10) feet between houses on contiguous lots. Any such lot which has a seven (7) foot sideyard contiguous to another lot with a three foot (3) foot sideyard, shall be herein referred to as the "**Dominant Estate.**" Any such lot that has a three (3) foot sideyard that is contiguous a seven (7) foot sideyard, shall be herein referred to as the "**Servient Estate.**" The following terms and provisions shall apply to the Dominant Estate and the Servient Estate:

**A)** The Owner of the Servient Estate hereby grants to the Owner of the Dominant Estate, a perpetual, non-exclusive easement for the use and maintenance of the three (3) foot sideyard located on the Servient Estate (the "**Easement Area.**") The Owner of the Dominant Estate shall be responsible for all maintenance, as that term is defined in Section A-3(A), above, to the Easement Area, but shall have no responsibility for maintenance to any structure located on the Servient Estate. Notwithstanding the foregoing, the Owner of the Servient Estate shall at all times have access to the Easement Area for any lawful purpose associated with use, maintenance or operation of the home to be located on the Servient Estate. The Owner of the Servient Estate shall be responsible for payment of all real estate taxes relating to the Easement Area and shall maintain public liability insurance on the Easement Area.

**B)** This easement shall be perpetual, non-exclusive and shall be deemed to run with the land. This easement shall be binding upon the Owners of the Servient Estate and the Owners of the Dominant Estate, and their respective heirs, successors and assigns. Neither the Owner of the Servient Estate or the Dominant Estate shall take any action which would impede the use and enjoyment of the Servient Estate or the Dominant Estate, as the case may be, or of the easement created herein.

IN WITNESS WHEREOF, the said Great Neighborhoods, Inc., a Wisconsin Corporation, has caused these presents to be signed and sealed this 11<sup>th</sup> day of December, 2002.

**WHEREAS**, Developer is the owner of the real property described in Exhibit "A," attached hereto and incorporated herein by reference, which Developer has subdivided into a neighborhood to be known as Grandview Commons (the "**Development**"); and

**WHEREAS**, in connection with the Development, Developer recorded a certain Declaration of Conditions, Covenants and Restrictions for Grandview Commons, dated December 19, 2002, recorded December 19, 2002, in the office of the Dane County, Wisconsin Register of Deeds, as Document No. 3615505 (the "**Declaration**"); and

**WHEREAS**, Developer wishes to amend the Declaration in accordance with the terms, covenants and conditions of this Amendment.

**NOW, THEREFORE**, Developer does hereby amend the Declaration in the following manner:

1) **Defined Terms.** Capitalized terms which are not defined in this Amendment shall be defined as set forth in the Declaration.

2) **Pool and Community Center.** The term Common Property as defined in Section (A-1)(B) of the Declaration shall be amended to include the Community Center as that term is defined herein, if the Community Center is constructed by Developer. Developer may, but is not legally obligated to, construct a community center building with an outdoor pool (the "**Community Center**"), as a common amenity, available for use by all residents of the Development. The Community Center will be designed by Developer as Developer shall solely determine, and will be constructed at Developer's sole cost and expense, but the maintenance, repair, replacement, operation, use and capital improvement costs ("**Future Maintenance**") of the Community Center subsequent to initial design and construction shall be a common expense to be paid for by the Owners as part of the maintenance of Common

Property described in Section (A) of the Declaration. The Association shall have the discretion to determine how assessments for Future Maintenance shall be made against the Owners including whether or not such assessments are mandatory, are based on use or other criteria. Until such time as Developer turns over the control of the Association to Owners, it is Developer's intent to assess the cost of Future Maintenance of the Community Center as part of the minimum annual assessments to be paid by Owners pursuant to Section (A) of the Declaration.

3) **Carriage Lanes.** Certain Lots in the Development border private carriage lanes which may or may not be accepted by the City of Madison as public alleys. The private carriage lanes shall be deemed a part of the Common Property which the Association is obligated to maintain under Section (A) of the Declaration, the cost of which maintenance of said Common Property shall be an assessment against all of the Property in the subdivision in accordance with the Declaration, for so long as such maintenance is necessary or required. The carriage lanes in Phase 1 of the Development have been accepted by the City of Madison as public alleys.

4) **Responsibility for Assessments During Development Stage.** At the present time, the Declaration is applicable to the Lots located in Phase I of the Development, as that term is defined in the Declaration. Association assessments for those expenses which the Association is permitted to assess to Members under the Declaration shall be paid by all Lots located in Phase I commencing on January 1, 2004, whether such Lots are owned by Developer or owned by persons or entities other than Developer. For the year 2003, Developer shall be responsible for all Association expenses. Developer shall turn over to the Association at the time control is turned over to the Members any surplus received by the Association of income over expenses. The following table describes the number of assessment units (an "**Assessment Unit**"), which are assigned to various Lots in the Development based upon their intended use at the present time. The number of Assessment Units for a particular Lot will be divided by the total number of Assessment Units in the Development to arrive at a particular Lot's percentage share of assessments for common area maintenance and other expenses, which the Association is permitted to assess to members under the Declaration. The Developer shall be responsible for payment of assessments attributable to all Lots owned by Developer, whether in a phase of the Development that has been developed, is currently being developed, or will be developed in the future. For the purposes of the following table, a single family residence shall be deemed a Dwelling Unit. With respect to multi-family residential apartments, duplex homes and townhouses, each apartment, duplex unit or townhouse unit, shall be considered a Dwelling Unit. By way of example and not limitation, if a townhouse has six separate apartments, each such apartment shall be considered a Dwelling Unit and each such apartment shall be assigned one Assignment Unit. With respect to condominiums, each individual condominium unit shall be considered a Dwelling Unit.

|    | <u>Use</u>                               | <u>Number of<br/>Assessment Units</u>                         |
|----|------------------------------------------|---------------------------------------------------------------|
| A) | Single Family:                           | One (1) per Dwelling Unit.                                    |
| B) | Multi-Family Residential Apartments:     | Seventy-five/100ths (.75) per Dwelling Unit.                  |
| C) | Multi-Family Condominiums:               | Seventy-five/100ths (.75) per Dwelling Unit.                  |
| D) | Multi-Family Duplex Homes:               | One (1) per Dwelling Unit.                                    |
| E) | Multi-Family Townhouses Homes:           | One (1) per Dwelling Unit.                                    |
| F) | Commercial/Office/Retail<br>Development: | Fifty/100ths (.50) per 1,000 square feet of<br>useable space. |

Should any of the foregoing uses change such that the Assessment Units attributable to a Lot shall also change, then the percentage share of each Lot shall be recalculated based on the then current number of Assessment Units in the Development, which recalculation shall be effective on January 1 of the first calendar year following the date on which the change in use requiring recalculation has taken place. It is the intention of the Developer that Assessment Units be uniform, and that assessments be adjusted by the number of Assessment Units attributable to a particular Lot on the basis of its Use. The terms of this paragraph (4) shall be applicable to future phases whether Developer's intention to so do is or is not stated in any future amendment to the Declaration.

#### 5) Disclosures.

A) The Development is in part located within an area subject to elevated ambient highway noise levels on account of the proximity of the Development to adjoining highways and streets.

B) Notice is hereby given that as of the date hereof, there is an active quarry operation on certain lands in close proximity to the Development.

C) Lot 310 of the Development may be replatted, subdivided or otherwise reconfigured, in such a manner as Developer shall determine in the sole exercise of Developer's discretion.

D) Nothing in the Declaration or this Amendment shall be construed as prohibiting Developer from subdividing any Lot or Lots in the Development, so as to create additional Lots. All such additional Lots shall be subject to the terms, covenants and conditions of the Declaration as amended from time to time. All such additional Lots shall be assigned a Use under paragraph (4), above, and shall be subject to assessment in accordance with the terms of such paragraph and the Declaration.

E) With respect to any Lot in the Development which borders a public or private alley, there shall be no public trash, leaf or recycled material pick-up service in said alley, but instead, there will be one or more trash pick-up collection points designated by the Developer to be used by Owners of Lots bordering the alley in question. Trash pick-up may be initially provided by the Association and charged as an expense of the Association, but such arrangement may be changed to provide for public or some other method of trash pick-up at a future time as the Developer or the Association shall determine.

6) **Use Easements.** This paragraph (6) amends and restates in its entirety, Section E-2 of the Declaration. This paragraph relates to those Lots described in Exhibit "B", attached hereto and incorporated herein by reference, referred to in the Declaration and herein as the "Affected Lots".

A) The sideyard of an Affected Lot which is subject to the easement herein created ("Servient Lot"), shall be measured from the common lot line between the Servient Lot and the Dominant Lot, as described in Exhibit "B", to the face of the building to be constructed on the Servient Lot, and the face of such building extended in a straight line from the front and rear corners of the building face to the front and rear property lines. In any case where a front or rear property line of the Servient Lot extends beyond the corresponding front or rear property line of the Dominant Lot (see, for example, the real property lines of Lots 392 and 393) the easement shall terminate at a point drawn perpendicular to the front or rear boundary line of the Dominant Lot, as the case may be, extended to the line described in the immediately preceding sentence.

B) Each Owner of a Dominant Lot that is subject to the terms of this paragraph shall have a perpetual, non-exclusive easement for the use of the sideyard located on the Servient Lot. The Owner of the Dominant Lot shall be responsible for maintenance of that area of the Servient Lot subject to this easement. Maintenance shall include seasonal lawn and landscape care, the repair and replacement of any fences located within the easement and such other normal and customary care and maintenance that a prudent homeowner would exercise were that area of the Servient Lot subject to the easement owned by the Owner of the Dominant Lot. The Owner of a Lot which is subject to this easement (the "Servient Lot Owner") shall have access to the easement area at such limited times as may be necessary for maintenance, repair and replacement of the building to be located on the Servient Lot. The Servient Lot Owner may not use the easement area for landscaping, lawn, garden, storage or any other use whatsoever, but only for the necessary maintenance, repair and replacement of the building located on the Servient Lot, and for only such time as the same is required to take place. Each of the Owners of the Servient and Dominant Lots, which are subject to this easement shall be responsible for payment of real estate taxes and assessments for their respective Lots and shall maintain public liability insurance on their Lots at all times.

C) The easement created herein shall be perpetual, non-exclusive and shall be deemed to run with the land. The easement shall be binding upon the Owners of the Servient and Dominant Lots in question, and their respective heirs, successors and assigns. No Owner whose Lot is subject to the terms, covenants and conditions of the easement created by this paragraph shall take any action which would impede the use and enjoyment of the adjoining Lot, or of the easement created herein.

D) This easement may be made applicable to Lots in future phases of the Development by specific reference to this section of this Amendment and by updating Exhibit "B" to include the Lots to which this easement is to be made applicable.

7) **Utility Easements.**

A) Owners of Lots subject to and benefited by the Use Easements created in the Declaration and amended herein should note that one or more public or private utility easements (a "Utility Easement") including but not limited to the easement created in paragraph (7)(B), below, may be granted by the Developer in the sideyards of Dominant Lots

and Servient Lots. In such event, the Utility Easements, whether created before or after the date of this or any subsequent Amendment to the Declaration, whether concerning the Lots described in Exhibit "B" or Lots within any future Phase of the Development, shall be binding upon all Owners of Dominant and Servient Lots, and all rights and responsibilities herein described shall be subject to the rights granted the beneficiary of the Utility Easement whether such Utility Easement is recorded prior or subsequent to this or any future Amendment.

B) Developer does hereby impose upon, over, across and through the sideyards of the Affected Lots a utility easement for the benefit of Madison Gas & Electric Company, Ameritech/SBC and Charter Communications (collectively the "**Utility**") for the purpose of permitting said Utility to install, repair, replace and reconstruct such utility installations for gas and electrical service (the "**Installations**") as said Utility may construct in the sideyards described herein both currently and from time-to-time hereafter solely for the benefit of the Dominant and Servient Lots on which the Installations are constructed. All such Installations constructed by the Utility shall be constructed underground. No Owner of a Servient Lot or a Dominant Lot shall take any action which adversely affects or interferes with the rights granted to the Utility herein. In the event the Utility shall install, repair, replace or reconstruct (a "**Permitted Activity**") any Installation in the area subject to this easement for its own benefit then the Utility shall be solely responsible for and shall undertake at its sole cost and expense on or before fourteen days after completion of the Permitted Activity, weather permitting, repair and reconstruction of the area affected by such Permitted Activity, to the condition existing immediately preceding it. The easement herein created shall be perpetual, non-exclusive, and shall run with the land.

8) **Landscaping Requirements.** Pursuant to Section B-4 of the Declaration, Developer hereby imposes upon those certain Lots described in Exhibit "C", attached hereto and incorporated herein by reference, the requirement that the Owners thereof install landscaping on such Lots which meets or exceeds the minimum number of points for landscaping set forth in Exhibit "C". The number of points attributable to various elements of the landscaping to be installed shall be determined by reference to Exhibit "D", attached hereto and incorporated herein by reference. All terms, covenants and conditions of Section B-4 of the Declaration, as amended herein, shall be applicable to the landscaping to be installed pursuant to the terms of this paragraph.

9) **Miscellaneous.** Except as amended herein, all terms, covenants and conditions of the Declaration shall remain unchanged.

Dated as of the 19<sup>th</sup> day of March, 2003.

**WHEREAS**, in connection with the Development, Developer recorded a certain Declaration of Conditions, Covenants and Restrictions for Grandview Commons, dated December 19, 2002, recorded December 19, 2002, in the office of the Dane County, Wisconsin Register of Deeds, as Document No. 3615506 (the "**Declaration**"); and

**WHEREAS**, Developer wishes to further amend the Declaration in accordance with the terms, covenants and conditions of this Amendment.

**NOW, THEREFORE**, Developer does hereby amend the Declaration in the following manner:

1) The real property described in Exhibit "B", attached hereto and incorporated herein by reference (the "**Commercial Lots**"), consists of those lots in the Development which are intended for commercial/office/retail or multi-family development. Paragraph (4) of the First Amendment established Assessment Units for the variety of uses which lots in the Development will be put to, including the uses of the Commercial Lots. Notwithstanding anything set forth in the First Amendment or in the Declaration, after such time as the Developer turns over control of the Association to the Members pursuant to the Declaration no amendment to the Declaration may be made affecting the Commercial Lots unless the affirmative vote of 75% of the Owners of the Commercial Lots is obtained with respect to said amendment.

WHEREAS, Developer recorded a Second Amendment to Declaration of Conditions, Covenants and Restrictions, dated May 31, 2003, recorded July 10, 2003, in the office of the Dane County, Wisconsin Register of Deeds, as Document No. 3755204 (the "Second

**Amendment,"** and collectively with the Declaration and the First Amendment, the **"Covenants");** and

**WHEREAS,** Developer wishes to further amend the Covenants in accordance with the terms, covenants and conditions of this Amendment to provide for the applicability of the Covenants to the Commercial Lots, as that term is defined below.

**NOW, THEREFORE,** Developer does hereby amend the Covenants in the following manner:

1) **All Phases Subject to Declaration.** Attached hereto as Exhibit "A," and incorporated herein by reference, are the legal descriptions of all Lots in all Phases of the Development. All Lots in all Phases of the Development, except as limited by this Amendment with respect to the Commercial Lots, as that term is defined below, are hereby made subject to the Covenants and this Amendment. Nothing herein shall be construed as preventing Developer from making further amendments to the Covenants and this Amendment pursuant to the provisions of the Covenants.

2) **Commercial Lots.** Attached hereto as Exhibit "B," and incorporated herein by reference, are the legal description of all Lots which are intended to be used for commercial, office, retail and multi-family (the **"Commercial Lots"**). The Commercial Lots shall be subject to the following provisions of the Covenants. Any provision of the Covenants not specifically described in subparagraph (A) – (D), below, are not applicable to the Commercial Lots:

**A) Provisions of the Declaration.**

- i) Sections (A-1)(A) – (G), inclusive.
- ii) Sections (A-2) – (A-4), inclusive.
- iii) Sections (B-3), (B-7), (B-8), (B-9), (B-11), (B-12), (B-13), (B-14), (B-17), (B-18), (B-19) and (B-21).
- iv) Part C of the Declaration in its entirety.

v) Part D of the Declaration in its entirety.

B) Provisions of the First Amendment.

i) Paragraphs (1) – (5), inclusive.

C) Provisions of the Second Amendment.

i) Paragraphs (1) – (4), inclusive.

D) Additional Provisions Applicable to Commercial Lots.

i) Vehicle and/or Equipment Storage. No inoperable, dilapidated or junk vehicles of any nature may be kept upon any Lot except in a fully enclosed garage. The exterior storage of boats, trailers, travel trailers, campers, motorcycles, recreational vehicles, automobiles or trucks (collectively, without limitation by reason of enumeration “**Equipment**”) of any nature is prohibited whether or not screened from public view. No Equipment shall be parked or stored on lawns. Notwithstanding the foregoing, it shall not be a violation of this restriction if operable Equipment is stored temporarily on approved exterior parking lots located on a Commercial Lot. Long term storage of Equipment on exterior parking lots is prohibited in all cases. No commercial vehicles, including trucks, semi-trailers or trailers, may be stored or parked on exterior parking lots for any period of time in excess of twenty-four (24) hours.

ii) Signs. Signs advertising the use of a Commercial Lot shall be permitted provided (a) that they are approved in advance, in writing by the Architectural Control Committee; and (b) that they are constructed in accordance with all laws, rules, and regulations, and with all applicable permits, issued by the municipality in which the Commercial Lot in question is located. After the Architectural Control Committee is no longer controlled by the Developer, the Architectural Control Committee shall no longer have approval rights over any signs located on Commercial Lots, but instead, signs shall be

governed by the laws, rules, regulations and ordinances of the municipality in which the Commercial Lot is located.

iii) Architectural Control Committee Control. At such time as control of the Committee is turned over to the Members of the Association, the Commercial Lots shall not be subject to the control of the Association with respect to the construction, repair or remodeling of improvements on the Commercial Lots, all of which shall be governed by the rules, regulations, laws and ordinances of the municipality in which the Commercial Lot is located. The Commercial Lots shall be required to comply with the provisions of the Covenants described in paragraph (2), above, including subparagraph (D), notwithstanding the fact that Developer is not in control of the Association.

iv) Design Guidelines. The Commercial Lots shall be generally subject to residential and neighborhood center design guidelines, originally dated September of 2002, as the same may be updated and amended from time-to-time hereunder.

3) No Build Restriction for Lots 459 and 460. Developer declares that the fifteen (15) feet wide strip of land partially located on Lot 459 and partially located on Lot 460, depicted in Exhibit "C," attached hereto and incorporated herein by reference, is hereby made subject to a permanent, non-exclusive, no build restriction (the "**No Build Zone**"). The Owners of Lot 459 or 460 may not build, construct or maintain any structures or improvements (the "**Improvements**") within the No Build Zone without (i) until such time as Developer relinquishes control of the Architectural Control Committee, the advance written consent of the Architectural Control Committee; and (ii) the municipality in which said Lots are located at the time consent is requested. As used in this paragraph, the term "Improvements" shall not include landscaping or surface parking lots.

4) Capitalized Terms. Capitalized terms which are not otherwise defined herein, shall be as defined in the Covenants.

5) **Effect of Amendment.** Except as amended herein, all terms, covenants and conditions of the Covenants shall remain unchanged.

**NOW, THEREFORE**, Declarant does hereby amend the Declaration as follows:

1.) Town Center Plat Subject to Declaration. Subject to Section 2 below, all of the lands contained within the Town Center Plat, the legal description of which is contained in Exhibit "E," attached hereto and incorporated herein by reference, are hereby made subject to the terms, covenants and conditions of the Declaration and this Tenth Amendment.

2.) Lots 648, 650 and 651.

b.) Notwithstanding Section 1 hereof or anything else to the contrary contained in the Declaration or this Tenth Amendment, the following provision shall apply to Lots 648, 650 and 651 of the Town Center Plat:

If the Owner of Lot 648, Lot 650 or Lot 651 of the Town Center Plat, after reasonable notice, fails or refuses to install landscaping as required in the Specific Implementation Plan applicable to and covering said Lots, the Committee, through its duly authorized agents or employees, shall have the right to enter upon said Lots at reasonable hours to perform said landscaping and/or maintenance. The costs of the materials and labor to perform such landscaping and/or maintenance shall be assessed against the Lot or Lots requiring such landscaping and/or maintenance in accordance with Section A-4(B)(2) of the Declaration, which assessment may be foreclosed or collected in accordance with the terms of the Declaration.

3.) Outlot 33. Outlot 33 of the Town Center Plat shall be conveyed by MREC VH to the Association. 4.) Architectural Control – Commercial Lots. Notwithstanding Section 1 hereof or anything else to the contrary contained in the Declaration or this Tenth Amendment, Section C-2 of the Declaration shall not apply to any lands located within the Town Center Plat or the commercial lots identified on Exhibit “G,” attached hereto and incorporated herein by reference (collectively, all of the lands located within the Town Center Plat and the commercial lots identified on Exhibit “G” shall be referred to herein individually as a “**Commercial Lot**” and collectively as the “**Commercial Lots**”). The following provision shall apply to the Commercial Lots:

No initial structures or other initial improvements, including exterior colors and materials to be applied to said improvements, shall be constructed or performed upon any Commercial Lot unless complete plans, specifications and plot plans therefore shall have been submitted to and approved in writing by a majority of the Committee. Approval shall also be required for location of improvements with respect to topography and finish grade elevation. Said plans, specifications and plot plans shall show the exterior design, height, building materials and color scheme thereof, the location of structure plotted horizontally and vertically, the location and size of driveways, the plans for required landscaping, and the grading plan. A copy of such plan specifications and plot plans as finally approved shall be deposited with the Committee. After initial Committee approval of improvements located on any Commercial Lot, no subsequent Committee approval shall be necessary for any change or alteration to the exterior of any approved structure on the same Commercial Lot provided such changes or alterations do not materially deviate from the plans approved by the Committee.

- ii.) If the tree to be removed is noted on the Tree Survey as a tree to be protected, then removal of the tree is prohibited unless the advance written approval of the Architectural Control Committee is first obtained. Such approval by the Architectural Control Committee shall be granted if an Owner shall present credible evidence that the tree in question presents a dangerous condition due to disease, erosion, age or other condition not the fault or responsibility of the Owner.
- iii.) Trees which are not noted on the Tree Survey as a tree to be protected may be removed by the Owner.
- iv.) The Owner of a lot in the Tree Preservation Zone is responsible for maintaining the Tree Preservation Zone located on said lot and the Association shall have no responsibility or authority to maintain said area, but nothing herein shall be construed as preventing the Association from enforcing the terms of these restrictions to the fullest extent allowed under and pursuant to the terms of the Declaration and this Tenth Amendment as well as applicable law.
- v.) No principal or accessory buildings or structures (pools, gazebos, etc.) shall be permitted, or may be placed or constructed in the Tree Preservation Zone. The Tree Preservation Zone may be used in calculating appropriate rear lot line setback for the lots in question.
- vi.) Nothing in these Tree Preservation Zone restrictions shall be construed as prohibiting any Owner of a lot in the Tree Preservation Zone from planting additional trees or other landscaping within the Tree Preservation Zone. Notwithstanding the foregoing, trees and other landscaping shall be allowed if it does not interfere with protected trees as noted on the Tree Survey and has been approved in advance by the Architectural Control Committee.

6.) Sidewalk Easement. Upon recording of the Town Center Plat, there shall be established a sidewalk easement from Kilpatrick Lane to Outlot 32, over, upon, across and through certain parts of Lots 643 and 644, as depicted on the Town Center Plat (the "**Sidewalk Easement**"). The Sidewalk Easement shall be maintained at all times by the Association as a Common Area. The Association shall be responsible for snow removal, periodic cleaning, sweeping and trash removal, maintaining the surface of the Sidewalk Easement evenly covered with materials identical to that with which it

was originally constructed, and if deemed necessary or required by the Association, lighted. It is the intention that the Sidewalk Easement be available for use by all Owners and Occupants, as well as the general public, for sidewalk purposes, with all motor vehicle traffic being prohibited on said sidewalk. The Association may adopt and impose reasonable rules and regulations on the use of the Sidewalk Easement, no use of which shall unreasonably or materially interfere with the use of Lots 643 and 644 for the purposes for which they are intended.

7.) Outlot 32. Outlot 32 of the Town Center Plat is intended to be improved as private open space for the Grandview Commons Subdivision by the Owner of Lot 648 in accordance with plans approved by said Owner and the City of Madison. Outlot 32 shall be conveyed to the Association as private open space and once improved, the Association shall be responsible for all maintenance to Outlot 32. For the purposes of this paragraph, maintenance shall mean taking such steps as are necessary to maintain Outlot 32 in substantially and materially the same condition as it was when originally improved. Upon conveyance of Outlot 32 to the Association, Outlot 32 shall become Common Property.

8.) Capitalized Terms. Capitalized terms which are not otherwise defined herein, shall be as defined in the Declaration.

9.) Effect of Amendment. Except as amended herein, all other terms, covenants, and conditions of the Declaration shall remain unchanged.

10.) Miscellaneous. This Declaration shall be governed by and construed in accordance with the Laws of the State of Wisconsin. In the event any part of this Declaration shall be deemed unenforceable by a court of competent jurisdiction, the offending portion shall be severed from the remainder and the remainder shall be fully enforced in accordance with applicable laws, rules and regulations.

**FOURTEENTH AMENDMENT TO  
DECLARATION OF PROTECTIVE  
COVENANTS**

THIS FOURTEENTH AMENDMENT TO DECLARATION OF PROTECTIVE COVENANTS, CONDITIONS AND RESTRICTIONS FOR THE PLAT OF GRANDVIEW COMMONS (the "Fourteenth Amendment") is made by MREC VH Grandview Commons LLC, a Delaware limited liability company ("Declarant") and VH GVC NE LLC, a Wisconsin limited liability company ("VH GVC" or "Owner").

**WITNESSETH:**

**WHEREAS**, Declarant owns certain lands located in the subdivision generally known as "Grandview Commons"; and

**WHEREAS**, Owner is the owner of certain lots comprising the plat known as the Northeast Addition to Grandview Commons (the "**Northeast Addition**") described in Exhibit "A" attached hereto and incorporated herein by reference (the "**Northeast Addition Lots**"); and

**WHEREAS**, Grandview Commons, as that term is used herein, consists of the land described in Exhibit "B", attached hereto and incorporated herein by reference (referred to herein as the "**Existing Lots**"); and

**WHEREAS**, the Existing Lots are subject to that certain Declaration of Conditions, Covenants and Restrictions for Grandview Commons dated December 19, 2002, and recorded in the office of the Dane County, Wisconsin Register of Deeds on December 19, 2002, as Document No. 3615505 (the "**Original Declaration**") which Original Declaration was subsequently amended by Amendments One through Thirteen, each of which amendments is further described in Exhibit "C" attached hereto and incorporated herein by reference (the "**Original Declaration**" and amendments described in Exhibit "C" shall be herein collectively referred to as the "**Declaration**"); and

**WHEREAS**, Declarant is the successor in interest to the position of Declarant under the terms of the Declaration.

**NOW, THEREFORE**, Declarant does hereby amend the Declaration as follows:

1) **Legal Description.** The Northeast Addition Lots are made subject to the Declaration.

2) **Section B-20.** Section B-20 is hereby added with the following:

**(A) Temporary Construction Easement.** Each Lot which has been made subject to this Declaration (for the purposes of this paragraph each Lot described herein shall be referred to as the "**Primary Lot**") is hereby made subject to a temporary, non-exclusive easement over, under, upon, across and through so much of the side yards of the Primary Lot as may be necessary for the safe and code compliant construction of a basement, including but not limited to footings, foundation and basement walls, on the adjoining Lot (the "**Adjoining Lot**"). The purpose of this Temporary Construction Easement is to permit Declarant to adequately slope and provide lateral support to the walls of the basement excavation in question so as to protect against cave-ins and loss of lateral support, and it shall be broadly construed to effectuate such purpose. This Temporary Construction Easement shall remain in effect for so long as it is needed to permit construction of the basement on the Adjoining Lot in a safe and code compliant manner. After completion, Declarant shall backfill the excavated area, compact such backfill in accordance with good construction practices, and restore the area affected by this easement to the condition existing immediately preceding the excavation, including replacement of sod, trees, shrubs and other landscaping, at no expense to the Owner of the Adjoining Lot (collectively "**Restoration**"). This Temporary Construction Easement shall, without further notice, terminate upon completion of said Restoration."

**(B) Mailboxes and posts.** Mailboxes and posts serving some homes in the neighborhood, whether individual or multi-gang, will be provided by Declarant at Declarant's sole cost and expense. Damaged or missing mailboxes and posts shall be replaced with a mailbox and post identical in all respects with that originally provided, at the sole cost and expense of the Owner(s), however, the Owner should contact the United States Postal Service or City prior to replacement as regulations may have changed. Based on new, recently adopted requirements of the United States Postal Service, areas of this neighborhood will receive mail by using CBU's (cluster box units) instead of curb side mailboxes on newly constructed homesites. These new requirements will phase out curb side mailboxes nationwide solely at the Postal Service's discretion.

**3) Membership.** Section C-1) is hereby modified with the following: "The Committee is composed of the following persons, who are also the initial Directors of the Association:

|                |                                             |

|--------------------|----------------------------------------------|

4) **Landscaping.** Landscaping for the Northeast Addition Lots, Grandview Commons Replat No. 1 Lots and Grandview Commons Replat No. 2 Lots shall be governed by the terms of Exhibit "D" attached hereto and incorporated herein by reference.

5) **Association.** All owners of the Northeast Addition Lots shall be deemed members of the Association pursuant to the terms of the Declaration, and shall be subject to assessment in accordance with the terms thereof.

6) **Model Homes.** So long as Declarant shall own any Northeast Addition Lots, Declarant shall be permitted to maintain model homes in such Northeast Addition, including therein a sales office for the purpose of sales and marketing of its homes.

7) **Consent of Owner.** Owner hereby consents to subjecting the Northeast Addition Lots to the terms of this Fourteenth Amendment and the Declaration, and further agrees that the Declarant may act as the Declarant under the Declaration and this Amendment with respect to the Northeast Addition Lots. Owners shall have no interest as Declarant with respect to said Northeast Addition Lots.

8) **Outlot 43.** Outlot 43 shall be dedicated to the public for park purposes. The City of Madison Parks Division is proposing an off-leash dog park. Contact the City of Madison Parks Division directly if you have any questions related to the park and its uses.
