**WHEREAS**, Declarant is the owner of Lots 1 to 30 and Outlots 1, 2 and 3 of that certain real property known as the plat of The Glen at Waters Edge (the "Plat" or the "Development") located in the Village of Caledonia, Racine County, Wisconsin. The Lots within the Plat which are made subject to this Declaration are more particularly described in Exhibit "A" attached hereto and incorporated herein by reference, and the Plat is shown in Exhibit "B", attached hereto and incorporated herein by reference; and

**WHEREAS**, Declarant desires to provide for the maintenance and enhancement of property values and amenities in said Development, and for the preservation of the properties and improvements thereon, as well as, for the preservation of said Development's distinctive style, and to prevent the erection, or maintenance of poorly designed or constructed improvements; and

**WHEREAS**, Declarant has thought it desirable for the efficient maintenance and preservation of the values of said Development to create an Association to which should be delegated and assigned the powers of owning, maintaining and administering the Common Property and facilities, as set forth below, and administering and enforcing the covenants and restrictions, and collecting and disbursing the Assessments

and charges as hereinafter or in the future created or established, and promoting the health, welfare and recreation of the Development's residents, and to that end Declarant has incorporated or will incorporate the The Glen at Waters Edge Homeowners Association, Inc. a non-profit, non-stock corporation, under the laws of the State of Wisconsin (the "**Association**"); and

**NOW, THEREFORE**, the Declarant declares that the real property constituting the Development will and shall be sold, transferred and conveyed subject to the easements, covenants, restrictions, assessments, charges and liens hereinafter set forth.

**PART A**  
**ASSOCIATION MATTERS**

**A-1) Definitions.**

**A)** "Association" shall mean and refer to The Glen at Waters Edge Homeowners Association, Inc., and its successors and assigns, a Wisconsin non-stock, non-profit corporation to be established by Developer.

**B)** "Common Property" includes Outlots 1, 2 and 3 and all those areas located in the Development which are intended for common use or are necessary or convenient to the existence, maintenance or safety of the Development. Common Property may also include any additions thereto designated by the Declarant or the Association in any subsequent amendment to this Declaration, and all improvements located on said property, which are intended to be devoted to the common use and enjoyment of members, Owners and Occupants. Common Property shall further include all public or private alleys (if any), access ways, traffic calming measures, plantings, landscaping islands or boulevards, Development entry signs with or without landscaping features which the Village of Caledonia is not obligated to maintain. Declarant may, by subsequent amendment or easement, designate parts of certain private lands owned by Declarant within the Development as Common Property, rendering the Association responsible for maintenance thereof, on terms determined by the Declarant. Notwithstanding the foregoing, the term "Common Property" does not include Outlot 4 or any Right-of-Way Property Enhancements (defined below).

**C)** "Declarant" shall mean and refer to Developer and is synonymous with Developer, and includes successors and assigns.

**D)** "Lot" shall mean and refer to the individual lots, designated by number, described in Exhibit "A", The term "Property" or "Properties" shall be synonymous with the term Lot.

**E)** "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any of the Properties described in Exhibit "A". A purchaser of any of said Properties by land contract shall be referred to as "Owner" instead of the land contract vendor.

**F)** "Occupant" shall mean and refer to the occupant of any of the Properties who shall either be an Owner or a lessee who holds a written lease having an initial term of twelve months or more.

**G)** "Subdivision" shall refer to the lands described in Exhibit "A". The term "Subdivision" is synonymous with the term "Development".

**H)** "Village" shall refer to the Village of Caledonia, a Wisconsin Municipal Corporation.

D) "Right-of-Way Property Enhancements" shall mean and refer to all landscaping located in any right-of-way dedicated to the Village including on islands within the right-of way.

**A-2) Membership and Voting Rights.**

**Members.** Declarant has incorporated the Association. The Association shall have two classes of membership. Each Owner of a Lot shall automatically become a Class A Member of the Association. The Declarant, or its successors or assigns, is the Class B Member of the Association. Declarant shall not be considered a Class A Member in the Association notwithstanding its ownership of Lots in the Subdivision. By acceptance of the Deed or other instrument of conveyance, the Owner(s) of each Lot consent to such Owner's membership in the Association whether or not specified on the deed to the Owner. A Class A membership in the Association is appurtenant to each Lot. Each Owner of a Lot shall automatically be entitled to the benefits and subject to the burdens relating to such Class A membership in the Association. The Association shall have authority to manage the Common Property. Persons or entities, including a land contract vendor, who hold an interest merely as security for the performance of an obligation, shall not be members of the Association. Tenants of Properties who are not Owners shall not be members of the Association. The rights, duties and obligations of the Class A and the Class B Members are specified in this Declaration and in the By-Laws of the Association. To the extent that the Association is defunct, all Association obligations and responsibilities in this Declaration shall be the Owners' obligations and responsibilities.

**B) Articles of Incorporation and By-Laws.** The purposes and powers of the Association and the rights and obligations with respect to the members thereof, shall be governed by the Articles of Incorporation and By-Laws of the Association; provided, however, that such Articles of Incorporation and By-Laws shall be subject to, and shall not contravene, the terms, conditions, benefits and burdens set forth in this Declaration.

**C) Class B Member Obligation for Assessments.** Declarant has no responsibility to pay for operating expenses of the Association by virtue of its ownership of the Class B membership interest in the Association. Declarant's liability for operating expenses is limited by and subject to the provisions of this Declaration.

**D) Calculation of Assessments.** Each Owner, other than Declarant, whose responsibility is governed by Section A-3(D), below, shall be responsible for assessments as described in this Declaration. The Association shall calculate an Owner's responsibility for assessments based on the following formula:

Total Subdivision Expenses/Total Number of Assessment Units X Assessment Unit(s) of Lot in question.

As used above, the term "Total Subdivision Expenses" shall mean (i) all Common Area Expenses which the Association estimates actually incurring during the budget year in question, plus (ii) all Common Area Expenses which the Association estimates it would incur during the budget year in question if all phases of the Subdivision were completed at the time said calculation is made. Declarant shall not be responsible for assessments on Declarant owned Lots. Declarant shall be responsible for paying to the Association the amount by which the Assessments collected by the Association are less than the amount necessary to pay for all actual Common Area Expenses incurred by the Association for the

budget year in question until such time as Declarant owns 5% or less of the lots in the subdivision or control of the Association is turned over to the Owners, whichever occurs first.

**A-3) Description.**

**A) Responsibility for Assessments.** The following table describes the number of assessment units (an “**Assessment Unit**”), which are assigned to various Lots in the Development based upon their intended use at the present time. For the purposes of the following table, a single family residence shall be deemed a Dwelling Unit.

<u>Use</u>	<u>Number of Assessment Units</u>
1) Single Family:	One (1) per Dwelling Unit.

**B) Association Management; Insurance.** The Association is required to retain a professional property management company with the experience necessary to perform the duties of the Association (the “**Management Company**”). The Association shall enter into a management contract (the “**Management Contract**”) with the Management Company on such terms and conditions as the Association and the Management Company shall agree. The initial Management Company is DSI Real Estate Group, Inc., a Wisconsin Corporation, which is affiliated with the Declarant by reason of common ownership. The Management Contract between DSI Real Estate Group, Inc. and the Association has not been negotiated on an arm's length basis. The Association, or in the absence thereof, the Owners shall maintain property and liability insurance over the Common Property.

**C) General Fund.** As used herein, the term “**Surplus**” shall mean the amount by which assessments collected by the Management Company on behalf of the Association to pay for common expenses relating to the Property exceed the common expenses for the fiscal year in question. The Management Company shall deposit and hold any Surplus in the Association's operating account maintained by the Management Company. The Surplus, in the discretion of the Association working in conjunction with the Management Company, may be applied to future Association expenses as they become due, but there shall be no obligation on either the Association's or the Management Company's part to return the Surplus to lot owners.

**D) Declarant's Responsibility for Assessments.** Declarant shall not be responsible for assessments on Declarant owned Lots. Declarant shall be responsible for paying to the Association the amount by which the Assessments collected by the Association are less than the amount necessary to pay for all actual Common Area Expenses incurred by the Association for the budget year in question.

**E) Percentage Interest.** For the purposes of establishing an Owner's percentage of assessments hereunder, insurance proceeds or condemnation awards in the event any portion of the Common Property is completely destroyed or taken by eminent domain and is not reconstructed, each Owner shall have a percentage interest in the insurance or condemnation proceeds equal to the Percentage Interest of such Owner in the Common Property. “Percentage Interest” shall be calculated as follows: the number of Assessment Units for a particular Lot will be divided by the total number of Assessment Units in the Development to arrive at a particular Lot's percentage share (the “**Percentage Interest**”) of assessments for common area maintenance and other expenses, which the Association is permitted to assess to Class A Members under the Declaration.

**F) Conveyance, Lease or Encumbrance of Percentage Interest.** Any deed, mortgage, lease or other instrument purporting to convey, encumber or lease for a period of time in excess of one (1) year (a “**Lease**”) any Lot shall be deemed to include the Owner's Percentage Interest in the Common Property

and in the insurance proceeds or condemnation awards even though such interest is not expressly described or referred to therein. The conveyance, encumbrance or Lease of an Owner's Percentage Interest in the Common Property independent of the appurtenant Lot and the conveyance, encumbrance or Lease of an appurtenant Lot independent of the Owner's Percentage Interest in the Common Property shall be prohibited.

**G) Ownership.**

1) The Common Property shall be initially owned by the Declarant until conveyed as provided below.

2) At the time of purchase, legal title to a 1/30<sup>th</sup> percentage interest in the Common Property shall be deemed conveyed with each lot to an Owner, whether or not specified on the deed to the Owner. Legal title to the percentage interest in the Common Property shall be deemed conveyed with any subsequent conveyance of a Lot whether or not specifically stated. Taxes, assessments or other charges on the Common Property will be divided according to each Owner's Percentage Interest by the taxing authority.

**H) Damage or Destruction of Common Property by Owner.** In the event any Common Property is damaged or destroyed by an Owner or any of his guests, lessees, tenants, licensees, agents or member(s) of his family, including pets, said Owner does hereby irrevocably authorize the Association to repair said damage. The Association shall repair and restore any damaged area to its former condition. The amount necessary for said repair shall become a special assessment upon the Property of said Owner.

**A-4) Maintenance**

**A) Maintenance Requirements.**

1) **Responsible Party.** Declarant shall initially provide for the care, operation, management, maintenance and repair of the Common Property and the Right-of-Way Property Enhancements, until the Declarant turns over control of the Association to its members. After such time, the Association shall provide for the care, operation, management, maintenance and repair of the Common Property and Right-of-Way Property Enhancements and shall keep them maintained in neat, good and safe condition.

2) **General Responsibilities.** Maintenance shall include, but not be limited to, responsibility for landscaping and lawn care, trash removal in the alleyways, ice and snow removal including shoveling with particular attention being paid to cross walk ramps and islands, improvements to common areas, upkeep of stormwater management facilities which may include detention basins and drainage swales, common property lighting and/or other common property utility charges and any special street design features or traffic calming features.

3) **Specific Responsibilities.** The Association shall be responsible, at the Association's sole cost and expense, for the maintenance and upkeep of Right-of-Way Property Enhancements. Such maintenance and upkeep shall be performed at the discretion of the Association except to the extent required by the Village, and shall include landscaping, snow and ice removal. If the special street design features or landscaping are not maintained, the Village will give notice to the Association that it is not being maintained. If the Association does not respond to the notice within sixty (60) days, the Village may maintain or modify the physical traffic measures or landscaping to minimize maintenance needs; including replacing landscaped surfaces with asphalt. The Association and persons

involved with the maintenance and upkeep of the special traffic measures and landscaping shall indemnify and hold harmless the Village and its boards and commissions, and their officers, agents and employees from and against all claims, demands, loss or liability of any kind, type or description, related to the maintenance and upkeep of the special traffic measures.

4) In order to carry out its maintenance obligations, the Association may enter into a contract with a reputable property management company (“**Management Company**”), pursuant to which contract the Management Company shall assume the maintenance obligations of the Association as provided herein.

5) Any and all expenses incurred by the Declarant, or by the Management Company, on behalf of and pursuant to its contract with the Association, in connection with the management and maintenance of the Common Property and administration of the Association shall be deemed to be common expenses (“**Common Expenses**”), including, without limitation, expenses incurred for: landscaping and lawn care; removal of ice; snow shoveling and plowing; trash removal in alleyways; improvements to the Common Property; common grounds security lighting; neighborhood entry signs; municipal utility services for Common Property enforcement of this Declaration (including attorneys’ fees); and maintenance and management salaries and wages.

**B) Assessments.**

1) The Association, or the Management Company, on its behalf, shall levy annual general assessments (“**General Assessments**”) against each Lot beginning January 1 of every year for the purpose of maintaining a fund from which Common Expenses may be paid. The General Assessments against each Lot shall be assessed according to their Percentage Interests in the Common Property. General Assessments shall be due in advance on the first day of each year, or in such other manner as the Association may set forth in the Bylaws. Any General Assessment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with interest, collection costs, and reasonable attorneys’ fees, shall constitute a lien on the Lot on which it is assessed.

2) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, may, whenever necessary or appropriate, levy special assessments (“**Special Assessments**”) against the Lots for deficiencies in the case of destruction or condemnation, for defraying the cost of improvements to the Common Property or for any other purpose for which the Association and/or the Management Company may determine a Special Assessment is necessary or appropriate for the improvement or benefit of the Subdivision. In addition, the Association shall have the authority to levy Special Assessments against one or more of the Lots, but less than all, in cases where the Association incurs expenses that are attributable to the act or failure to act by one or more Lot Owners in violation of this Declaration, the Articles of Incorporation, By-laws or rules of the Association in effect from time to time. Special Assessments may also be imposed by the Association for failure to pay any Fines levied against an Owner pursuant to the provisions of this Declaration. Special Assessments shall be paid at such time and in such manner as the Association or the Management Company may determine. Any Special Assessment or installment not paid when due shall bear annual interest at a rate of ten percent (10%) until paid and, together with the interest, collection costs and reasonable attorneys' fees, shall constitute a lien on the Lot on which it is assessed.

3) The Association, or the Management Company, on behalf of and pursuant to its contract with the Association, shall have the right to collect all General and Special Assessments and such sums shall constitute a lien on the Lot or Lots against which the Assessment is made. The Owner of a Lot, or any portion thereof, shall be personally obligated to pay such charges which were assessed or accrued upon the land owned during the period of Ownership. The Association or the Management

Company, on behalf of and pursuant to its contract with the Association, may commence an action against any Owner personally obligated to pay the charges or to foreclose the lien for such charge against any Lots. Any such foreclosure action may be brought at the Association's election, either in the same manner as an action to foreclose a real estate mortgage, or as a proceeding to enforce a statutory maintenance lien as provided in Section 779.70, Wis. Stats., to the extent said Section is applicable. Any lien in favor of the Association/Management Company securing unpaid charges arising by virtue of this Declaration shall be subject and subordinate to the lien of any mortgage whether the mortgage is executed or recorded prior to or after the creation of such lien.

**D) Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Property shall not release the assessment lien. However, the sale or transfer of any Property pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment(s) as to payments which become due prior to such sale or transfer. No sale or transfer pursuant to foreclosure or proceedings in lieu thereof shall relieve such Property from liability from any assessments thereafter becoming due or from the lien thereof.

**E) Joint and Several Liabilities of Grantor and Grantee.** Upon a voluntary conveyance, the grantee of a Property shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor as provided in this Declaration up to the time of conveyance, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of such unpaid assessment and any such grantee shall not be liable for, nor shall the Property conveyed be subject to a lien for, any unpaid assessments against the grantor pursuant to this Declaration in excess of the amount therein set forth.

**PART B**  
**CONDITIONS, COVENANTS AND RESTRICTIONS**

**B-1) Applicability.** The following provisions in this Part B shall apply to all Lots and Outlots as described in Exhibit "A". Uses, other than the uses set forth in this Part B, shall not be permitted on the Lots or Outlots, as applicable, without the prior written approval of the Declarant and Committee (defined in Section C-2 below), as appropriate. After Declarant control of the Association has terminated, approval from the Association and the Committee shall be required.

**B-2) Land Use And Building Type.** Only the following designated uses for Lots and Outlots shall be permitted:

**A)** Lots 1-30 shall be used for single family residential purposes. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family dwelling unit not to exceed two and one-half stories in height. Each dwelling unit shall have an attached or detached garage of a size to be approved by the Committee, as that term is defined below. The size of a dwelling unit to be constructed on specific Lots shall not be less than the minimum size to be established hereinafter.

A separate storm water easement in favor of the Village of Caledonia will be recorded concerning maintenance of the Stormwater Management Facilities. Said repairs, maintenance and restoration shall be performed at the expense of the Owners of all Lots within this Subdivision.

D) Outlot 4 has been dedicated to the Village for public park purposes.

Uses, other than the uses set forth in this Section B-2, shall not be permitted on the Lots, as applicable, without the prior written approval of the Declarant and Committee (defined in Section B-3 below), as appropriate. After Declarant control of the Association has terminated, approval from the Association and the Committee shall be required.

Except as otherwise provided herein, no buildings, signs or other structures incidental to the use of any Outlot, which have not been approved in advance by the Committee, may be constructed on any Outlot.

The Plat shows the streets and rights of ways which are dedicated as public streets and rights-of-way.

**B-3) Architectural Control.** No building shall be erected, placed or altered on any Lot until the construction plans and specifications and a plan showing the location of the structure have been approved by a majority of the Architectural Control Committee (the “**Committee**”) as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. There shall be a variation in building elevations on adjacent Lots. Approval shall be as provided below.

**B-4) Dwellings and Landscaping.** The landscaping to be installed on all Lots must meet or exceed the minimum number of points for foundation planting and cumulative total landscaping points, including foundation planting points as set forth hereafter as described in Exhibit “C”, attached hereto and incorporated herein by reference. The number of points attributable to various elements of the landscaping to be installed shall be determined by reference to Exhibit “D”, attached hereto and incorporated herein by reference. The structure and the minimum landscaping requirements shall be completed within nine (9) months after issuance of a building permit. **Please Note:** Landscaping installed by the Declarant may or may not meet the minimum number of required points. All driveways shall be of concrete and shall be installed within nine (9) months after substantial completion of the structure. No outbuilding or accessory building of any nature shall be erected on any Lot with the exception of detached garages approved by the Committee in advance of construction. No above-ground swimming pools shall be permitted. All Lot areas not used as a building site, or under cultivation as a family garden, shall be planted with grass seed or shall be sodded, and shall be maintained on a regular seasonal basis, including mowing of a frequency of not less than once every fourteen (14) days during the lawn growing season. Maintenance of all improvements on a Lot shall be performed by the Owner. Maintenance shall include, but not be limited to, watering, pruning and routine fertilizing and mulching of all plantings and plant beds, replacement of dead, dying and/or diseased trees and shrubs, prompt removal of weeds, trash and debris from plant beds and areas adjacent to shrubs and trees so as to keep said landscaping in a healthy, attractive, neat condition and contained within the Property.

If the Owner of any Lot, after reasonable notice, fails or refuses to install landscaping as described herein, or maintain it as required above, the Committee, through its duly authorized agents or employees, shall

have the right to enter upon said Lot at reasonable hours to perform said landscaping and/or maintenance. The costs of the materials and labor to perform such landscaping and/or maintenance shall be assessed against said Lot in accordance with the terms of Section A-4 (B)(2) above, which assessment may be foreclosed or collected in accordance with the terms hereof or collected as provided herein.

**B-5) Vehicle and/or Equipment Storage.** No inoperable, dilapidated or junk vehicles of any nature may be kept upon any Lot except in a fully enclosed garage. The exterior storage of boats, trailers, travel trailers, campers, motorcycles, recreational vehicles, automobiles or trucks, portable moving and storage containers, mini storage or on-site storage containers (collectively, without limitation by reason of enumeration “**Equipment**”), of any nature is prohibited whether or not screened from public view. No Equipment shall be parked or stored on lawns. The temporary storage of vehicles in a drive area for the purpose of loading or unloading for a period not to exceed forty-eight (48) hours is permitted. No commercial vehicles, including trucks, vans, semi-trailers, trailers, may be stored or parked overnight on or in front of said Lots except in an enclosed garage.

**B-6) Construction On Adjoining Lots.** Nothing contained herein shall be construed to prohibit the construction of a residential dwelling or private garage partially on one Lot and partially on an adjoining Lot without regard to side yards between adjoining Lots, provided that all such Lots are owned by the same person or persons and such construction is approved by the Committee.

**B-7) Easements.**

**A)** No structure, planting, or other materials shall be placed or permitted to remain within any easement of record (an “**Easement**”) if any, which may damage or interfere with the installation and maintenance of utilities, or which may change, obstruct or retard the flow of water or the direction of such flow through the Easement or through such other drainage channels or swales that may have been created by the Plat or otherwise. The Easements located on each Lot and all improvements therein shall be maintained continuously by the owner of the Lot, except for those improvements for which a public authority or utility company is responsible.

**B)** Public utility easements as set forth on the Plat are for the use of public and private utilities having the right-of-way to serve the area.

**C) Sign Easement Areas:** Easements for entry monumentation signage and plantings shall be established by Declarant at each corner, as well as, center islands. Maintenance of the Easement shall be deemed a part of the Common Property which the Association is obligated to maintain under Section (A) of the Declaration, the cost of maintenance of said Common Property shall be an assessment against all the Property in the Subdivision in accordance with the Declaration, for so long as such maintenance is necessary or required. Refer to Section B-18)A) for notices regarding plantings.

**D) Temporary Construction Easement.** Each Lot which has been made subject to this Declaration (for the purposes of this paragraph each Lot described herein shall be referred to as the “**Primary Lot**”) is hereby made subject to a temporary, non-exclusive easement over, under, upon, across and through so much of the side yards of the Primary Lot as may be necessary for the safe and code compliant construction of a basement, including but not limited to footings, foundation and basement walls, on the adjoining Lot (the “**Adjoining Lot**”). The purpose of this Temporary Construction Easement is to permit Declarant to adequately slope and provide lateral support to the walls of the basement excavation in question so as to protect against cave-ins and loss of lateral support, and it shall be broadly construed to effectuate such purpose. This Temporary Construction Easement shall remain in effect for so long as it is needed to permit construction of the basement on the Adjoining Lot in a safe and code

compliant manner. After completion, Declarant shall backfill the excavated area, compact such backfill in accordance with good construction practices, and restore the area affected by this easement to the condition existing immediately preceding the excavation, including replacement of sod, trees, shrubs and other landscaping, at no expense to the Owner of the Adjoining Lot (collectively "**Restoration**"). This Temporary Construction Easement shall, without further notice, terminate upon completion of said Restoration.

**E) Multi-User Mailbox Easement.** Based on new, recently adopted requirements of the United States Postal Service, this neighborhood will receive mail by using CBU's (cluster box units) instead of curb side mailboxes on newly constructed homesites. These new requirements phased out curb side mailboxes nationwide solely at the Postal Service's discretion. Certain Lots or Outlots will feature CBU's and will be determined by phase as constructed and will be noted in the Neighborhood Disclosure Addendum A to be received by Buyer at the time a Sales Contract is signed. All maintenance (concrete pad repair and replacement, CBU and snow removal around the CBU) shall be the sole responsibility of the Association.

**F) Landscaping Easement.** There is a 5' landscaping easement on Lots 1-8, 21, 22, 27 and 28. Costs attributable to repair, maintain or restore the landscaping within said Landscape Easement shall be included in Assessments to Owners under the terms of this Declaration as Common Expenses. Said repairs, maintenance and restoration shall be performed by the Owners of all Single Family Lots within this Subdivision.

No trees, plantings, buildings, fences, berms, or retaining walls shall be placed in any easement areas or right-of-way's with the exception of landscape trees and plantings in any landscape easement areas.

**B-8) Slope and Swale Areas.**

**A)** The graded slopes and swales as established by Declarant shall remain as permanent. Within these slopes and swales, no structure, planting or other material shall be placed or permitted to remain, or other activities undertaken which may damage or interfere with established slope and swale ratios, create erosion or sliding problems or which may change the direction of flow of drainage channels or obstruct or retard the flow of water through drainage channels. The slopes and swales of each Lot and all improvements in them shall be maintained continuously by the Owner of a Lot, at the Owner's sole expense, except for those improvements for which a public authority or utility company is responsible.

**B)** In order to control run off, all down spouts and down spout extenders are to drain into a permeable area such as grass or a planting bed.

**C)** Declarant and the Village have agreed to a certain Storm Water Management Plan. In the event of conflict between any plans and such Storm Water Management Plan, the Storm Water Management Plan shall control. Declarant and the Association shall each have the right to enter upon any Lot at any time for the purpose of inspection, maintenance or correction of any drainage condition and the Lot Owner shall be responsible for the cost thereof.

**D)** Any disputes relating to drainage swales, drainage or other surface water issues, shall be resolved by the Board of Directors of the Association, which may seek the advice of the Village Engineer of the Village. The Association shall establish procedures by which such decisions can be heard by the Board of Directors and decided by said Board. No decision under this subsection shall relieve an Owner or the Association from complying with the Village's Code of Ordinances.

**B-9) Nuisances.** No noxious or offensive activity, as determined by the Committee, shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or which may have a detrimental effect on the value of other Lots and/or improvements.

**B-10) Temporary Structures.** No structure of a temporary character, trailer, basement, tent, shack, garage, storage container, barn or other outbuilding shall be used on any Lot at any time as a residence, either temporarily or permanently.

**B-11) Signs.** No sign of any kind shall be displayed to the public view on any Lot except, one professional sign of not more than one square foot, one sign of not more than six square feet advertising the property for sale or rent or signs without regard to size used by the Declarant, a builder or licensed real estate broker to advertise the property during the construction and sales period or to identify the subdivision and/or its Declarant. No signs will be located in the Outlots.

**B-12) Entrance Sign.** There will be an entrance monument sign by separate document an associated easement at the entrance(s) into the neighborhood. The sign and easement associated with the sign will be owned by the Association. The Association will be responsible for the maintenance of said sign to include watering, mowing and basic landscape requirements. The Association is responsible for determining whether said signs shall remain in place and assess all owners in the neighborhood of any future replacement cost after Declarant turns over control of the Association to the Owners.

**B-13) Animals.** No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purpose. No animal enclosure, house, pen or fences or similar device shall be placed on any Lot without the prior written approval of the Committee which may require special landscaping and screening.

**B-14) Garbage and Refuse Disposal.** No Lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. No incinerators shall be permitted. Other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. No trash, building materials, debris, leaves, lawn clippings, rocks or earth shall be placed in any Outlot. Garbage cans, garbage bags or recycle bins must be kept in enclosed garage and not stored outside. **Note:** Please check with the municipality as to the length of time garbage cans, garbage bags or recycle bins may remain at curb side prior to and after collection.

**B-15) Sight Distance at Intersections.** No fence, wall, hedge or shrub planting which obstructs sight lines shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street property lines extended. All plantings shall be 6" or less in height and shall be maintained by the Lot Owners. The same sight-line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections.

**B-16) Telephone (Land Line Service).** Due to updated FCC government regulations, telephone communication providers are no longer required to provide land line service to new phases. As a result, Declarant cannot guarantee that all new phases will have access to traditional land line phones. However, most of the cable company service providers have the ability to bundle in those services.

**B-17) Retaining Walls.** Certain homesites may have a retaining wall in the rear yard. The area beyond the rear retaining wall will be of natural grass and will not be maintained by the Association. Mowing beyond the rear retaining wall is not required of the homeowner as not all homeowners will be able to access this area. Fences are not required beyond the rear retaining wall and if fence is installed the homeowner will not be required by the Committee to construct a fence to the rear property line.

**B-18) Notices to Owners.** The following information is being put of record in order to give record notice to all Owners, mortgagees and other persons and entities having an interest in the Property:

**A)** Plantings, flower beds, and any entry signs (including utility installations connected therewith) constructed and installed by Declarant, if any, shall be deemed a part of the Common Area. The Association is obligated to maintain any entry feature; maintenance shall include electrical charges (if any), sign repair and maintenance of the landscaping including mowing of all lawns and grass areas. The cost of maintenance of said Common Property shall be an assessment against all of the Property in the subdivision in accordance with the Declaration, for so long as such maintenance is necessary or required adversely affects the natural flow of surface or underground waters within the area permitted.

**B-19) Improvements Within Easements.** The Village of Caledonia does not allow any improvements (for example, fences, dog kennels, landscaping) to located within any part of a Lot which is subject to a utility easement. Placement of any improvement within an easement is subject to removal at the Owner's expense for utility maintenance and other reasons as determined by the party benefitted by the easement.

**B-20) Lease.**

**A) *Lease Requirements.*** An Owner may rent its dwelling by written Lease (a "Lease"), provided that

1. The term of any such Lease shall not be less than six (6) months;
2. The Owner has obtained the prior written approval of the Association to the proposed tenant and the terms of the proposed Lease, and the written approval for any proposed extension of the Lease; and
3. The Lease contains a statement obligating all tenants to abide by this Declaration, the Articles, the Bylaws, and the Rules and Regulations, providing that the Lease is subject and subordinate to those instruments; and
4. The Lease provides that any default arising out of the tenant's failure to abide by the Declaration, the Articles, the Bylaws, and the Rules and Regulations shall be enforceable by the Association as a third-party beneficiary to the Lease and that the Association shall have, in addition to all rights and remedies provided under the Declaration, the Articles, the Bylaws and the Rules and Regulations, the right to evict the tenant and/or terminate the Lease should any such violation continue for a period of ten (10) days following delivery of written notice to the Owner and the tenant specifying the violation.

**B) *Standard for Approval of Lease and Tenant.*** The Association may withhold approval on any reasonable basis, including, but not limited to: the failure of the Lease terms to comply with all provisions of this Declaration, the Articles, the Bylaws, and the Rules and Regulations; the past failure of

the Owner, the tenant or tenant's guests to abide by all provisions of this Declaration, the Articles, the Bylaws, and the Rules and Regulations; and the past use by Owner, the tenant or its invitees or guests of any part of the Lot in a manner offensive or objectionable to the Association or other occupants of the Property by reason of noise, odors, vibrations, or nuisance.

**C) *Violations / Remedies.***

1. During the term of any Lease of all or any part of a Lot, each Owner of such Lot shall remain liable for the compliance of the Lot, such Owner and all tenants of the Lot with all provisions of this Declaration, the Bylaws, and the Rules and Regulations of the Association, and shall be responsible for securing such compliance from the tenants of the Lot. The Association may require that a copy of each Lease of all or any part of a Lot be filed with the Association.

2. In the event that an Owner leases out its dwelling or any portion of its Lot in violation of this provision, the Association may impose a daily fine up to the greater of (i) an amount equal to the daily rental amount being charged by Owner to its tenant and (ii) \$100 (this daily fine shall be adjusted up every five years by 5%).

In addition to any fines imposed under this Section, the Owner shall reimburse the Association for all costs incurred by the Association, including attorneys' fees, incurred to enforce this Section, any action the Association takes under this Section B-20 against Owner or Owner's tenant, and to collect any outstanding amounts owed by Owner to the Association.

**PART C**  
**ARCHITECTURAL CONTROL COMMITTEE**

**C-1) Membership.** Declarant shall establish an Architectural Control Committee (the "**Committee**") consisting of three (3) members. So long as Declarant has title to any Lot subject to this Declaration, the Committee shall be appointed by Declarant. After Declarant no longer has title to any Lot within the Development or at such earlier time as determined by the Declarant, the initial members of the Committee shall resign and the Association shall elect three (3) Owners to serve on the Committee. At any time, Declarant may elect to surrender the selection of the members of the Committee to the Association by election or appointment.

A majority of the Committee may designate a representative to act for it. In the event of the death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor.

The Committee appointed hereunder shall serve for the time period specified in paragraph C-10, below. Any Committee member may resign prior to said date. Such resignation shall be effective upon receipt. If a resignation shall occur, prior to turning over control of the Committee, then the remaining members of the Committee may appoint a replacement.

The Application, as well as plans, specification and plot plans therefore shall have been submitted to and approved in writing by a majority of the Committee. Approval shall also be required for location of improvements with respect to topography and finish grade elevation. Said Application, plans, specifications and plot plans shall show the exterior design, height, building materials and color scheme thereof, the location of the structure plotted horizontally and vertically, the location and size of driveways, the plans for required landscaping, and the grading plan. A copy of such Application, plan specifications and plot plans as finally approved shall be deposited with the Committee. The Application can be found on the DSI Real Estate website [www.dsirealestate.com](http://www.dsirealestate.com). Select Condo & HOA, then Architectural Control (ACC) – Project Approval and select the appropriate application for your request.

**C-3) Plan Review.** The Committee shall review said Application, plans and specifications as to quality of workmanship and materials, harmony of external design with existing or proposed structures and as to location with respect to topography and finish grade elevation. The Committee shall use the guidelines set forth in this Declaration as an aid in exercising its architectural control responsibilities hereunder, but nothing contained herein or therein shall limit the Committee’s discretion to grant variances from or make changes to, the guidelines, as they shall determine in the sole exercise of their discretion.

**C-4) Procedure.**

**A)** Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant for the initial approval of a residential structure. All such submissions shall be made to the Committee at the address set forth in this Declaration or to such other address that the Committee may designate.

**C)** The Committee shall have the sole right to reject any Application and plans which, in the judgment and sole opinion of a majority of its members are not in conformity with this Declaration; or are not desirable for aesthetic reasons; or are not in harmony with buildings located on the surrounding Lots; or are not in conformity with the general purposes of this Declaration.

**D)** The Committee shall exercise its sole approval authority and discretion in good faith and each Owner, by acceptance of a deed to, or any other interest in, a Lot, agrees to hold the Committee harmless from any perceived discrepancies in the Committee’s good-faith performance of its duties. Refusal of approval of plans by the Committee may be based on any grounds, including purely aesthetic grounds, which in the sole discretion of the Committee shall be deemed sufficient.

**E)** The Committee may set its own operating procedures consistent with this Declaration and any limitations hereafter imposed by the Association. The costs of operating the Committee shall be assessed by the Association as Common Property expenses, except as permitted below. The Committee may engage consultants (e.g., architects, engineers or attorneys) either on a general or on a case-by-case basis, and the costs thereof may be charged to an applicant. The members of the Committee

shall not draw any compensation for serving thereon but may be reimbursed for expenses incurred in performing their duties. All funds relating to the Committee shall be handled by the Association.

Plans and Specifications must comply with the standards set forth in Section D herein and must be approved by the Committee in writing prior to any application for a building permit to the Village, and before any construction or alteration of any improvement may be commenced on any Lot. Upon request of the Lot Owner, the Committee shall issue a written receipt for the Plans and Specifications submitted by or on behalf of the Lot Owner, showing the date of submission.

**C-5) Separate Village Approval.** Matters which require approval of the Committee may also require approval of the Village. Obtaining approval from the Committee and the Village is solely the responsibility of the Owner desiring approval. Approval of Plans by the Committee shall not be deemed approval by the Village and approval by the Village shall not be deemed approval by the Committee.

**C-6) Records.** Until such time as a replacement Committee is designated, all plans, applications and requests shall be submitted to said Committee at the following address:

The Committee is not responsible for ensuring that the application and plans submitted by an Owner are in compliance with applicable laws, rules, regulations, ordinances or customary and typical building practices. The Committee does not review plans for structural design.

**C-8) Indemnification.** Each member or former member of the Committee, together with the personal representatives and heirs of each such person, shall be indemnified by the Association against all loss, costs, damages and expenses, including reasonable attorney's fees, asserted against, incurred by or imposed in connection with or resulting from any claim, action, suit or proceeding, including criminal proceedings, to which such person is made or threatened to be made a party by reason of service as a member thereof, except as to matters resulting in a final determination of gross negligence or willful misconduct on the part of such member. In the event of settlement of such proceeding, indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of gross negligence or willful misconduct in the performance of such person as a member in the matter involved. This right of indemnification shall be in addition to all other rights and defenses. All liabilities, losses, damages, costs and expenses incurred or suffered by the Association in connection with this indemnification shall be a Common Property expense. Nothing in this Section C-8 shall be deemed an indemnification of such person with respect to such person's status as an Owner, occupant or otherwise.

**C-9) Variance.** The Committee shall have the power and absolute discretion to authorize a variance from any of the requirements of this Declaration if it finds that the strict application thereof would, in its sole discretion and opinion, result in difficulties or undue hardship to the Lot owner or in the event the architecture of the proposed Lot improvement is such as to present, in its opinion, a particularly pleasing appearance compatible with other houses in the development.

**C-10) Successor to Committee.** Declarant may turn over control of the Committee to the Members of the Association at any time, and shall turn over control when Declarant no longer has any ownership interest in the Property. At such time as Declarant turns over Committee control, the Association's Board of Directors shall designate not less than three (3) or more than five (5) Members of the Association to serve and act as the Committee for all purposes hereunder.
